Nondiscrimination in Programs and Activities

Background
The El Dorado County Superintendent is committed to equal opportunity for all individuals in education. El Dorado County Office of Education (EDCOE) programs and activities shall be free from discrimination based on race, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital, pregnancy, or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or expression, or genetic information; a perception of one or more of such characteristics; or association with one or more of these actual or perceived characteristics. The Board and Superintendent shall operate programs which ensure that discriminatory practices do not exist in any County Office of Education activities.

Annual Program Review
Annually, the Superintendent or designee shall review EDCOE programs and activities to ensure the removal of any derogatory or discriminatory name, image, practice, or other barrier that may unlawfully prevent an individual or group in any of the protected categories stated above from accessing programs and activities. The Superintendent shall take prompt, reasonable actions to remove any identified barrier.

Notice
Pursuant to 34 CFR 104.8 and 34 CFR 106.9, the Superintendent or designee shall notify students, parents/guardians, employees, employee organizations, applicants for admission and employment, and sources of referral for applicants about EDCOE’s policy on nondiscrimination and related complaint procedures. Such notification shall be included in each announcement, bulletin, handbook, application form, or other materials distributed to these groups and, as applicable, to the public. Such notification shall be posted in program schools and offices, including staff lounges and other prominent locations, as appropriate, and shall be posted on EDCOE’s web site and, when available, EDCOE supported social media.

EDCOE’s nondiscrimination policy and related informational materials shall be published in a format that parents/guardians can understand. In addition, when 15 percent or more of a program’s students speak a single primary language other than English, those materials shall be translated into that other language.

Complaint Filing, Investigation, and Resolution
All allegations of unlawful discrimination in the EDCOE programs and activities shall be investigated and resolved in accordance with the procedures specified in SP 1312.3 - Uniform Complaint Procedures.

The Superintendent or his/her designee, as specified below, is responsible for coordinating EDCOE’s response to complaints and for complying with state and federal civil rights laws. Superintendent or his/her designee shall receive and address requests for accommodation submitted by individuals with disabilities, and shall investigate and resolve complaints regarding access to programs, services, activities, or facilities.

If a complaint is substantiated, EDCOE will take steps to end the discrimination, prevent recurrence, and remedy discriminatory effects on the complainant and others, if appropriate. EDCOE prohibits any form of retaliation, intimidation, or harassment against any individual who filed or otherwise
participated in the filing or investigation of a complaint of discrimination. Any individual who believes he/she/they have been subject to retaliation may file a separate complaint under SP 1312.3 Uniform Complaint Procedures.

Participation in any informal resolution process shall be voluntary. Any mediation undertaken to resolve any complaints shall be supervised. Any informal resolution process may be terminated at any time.

The following compliance officer designees are responsible for receiving and investigating complaints and ensuring compliance with state and federal laws and regulations.

Americans with Disabilities Act
EDCOE’s programs and facilities, viewed in their entirety, shall be in compliance with the Americans with Disabilities Act (ADA) and any implementing standards and regulations. When structural changes to existing facilities are needed to provide individuals with disabilities access to programs, services, activities, or facilities, the Superintendent or designee shall develop a transition plan that sets forth the steps for completing the changes. In addition, new construction and alterations to facilities existing before January 26, 1992, shall be accessible when viewed in their entirety.

The Superintendent or designee shall ensure that the County Office of Education provides appropriate auxiliary aids and services where reasonable and necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity.

These aids and services may include, but are not limited to, qualified interpreters or readers, assistive listening devices, assistive technologies or other modifications to increase accessibility to EDCOE web sites, note takers, written materials, taped text, and Braille or large print materials.

Individuals with disabilities shall notify the Superintendent or designee if they have a disability that requires special assistance or services.
