Delta Elementary Charter will meet the Education Code Requirements for Special Education.

Education Code §56140 a-g

- (a) The County Superintendent, knowing this is an out-of-geographic Charter School, still assumes the Local Plan requirements to monitor and coordinate special education for this school.

The County Superintendent and the El Dorado County Charter SELPA ensure there is a coordinated system of services to students with disabilities.

Education Code §56150 through 56177 are the responsibility of the County where the parent resides, or in the case of Foster Youth where the student is placed. The charter school is aware of the location of these agencies and a resource guide has been provided with specific contact information.

Parents will have the opportunity to attend trainings or participate via webcasting or teleconferencing.

Education Code §56195

The Charter School LEA will participate in the Charter School Allocation Plan. The charter school will not be treated differently with regards to funding and resource allocation.

Education Code §56195.1

The Charter School LEA will adopt the El Dorado County Local Plan and assurance adherence. The Charter School LEA will implement and participate in the governance structure.

Through the application process the County Superintendent of Schools, the SELPA Director, and the CEO Admission Committee have reviewed and accepted this Charter LEA for membership. The committee agrees the school is either capable, or has an acceptable plan in place, to ensure services to students with disabilities.

Delta Elementary Charter will designate specific staff to attend Charter SELPA Special Education meetings.

Education Code §56195.7

Delta Elementary Charter adopts the El Dorado County Charter School Procedural Guide, Board Policies and Administrative Regulations for implementation. Technical assistance and supports will be provided by SELPA staff to ensure understanding and compliance.

Education Code §56205 (12) (a)

Refer to §52605

Education Code §56205 (13)

Annually when the Charter School LEA submits data to the SELPA for the Personnel Data report they will also submit staff and credential information. The SELPA staff will review data and confirm appropriate staff.

Education Code §56205 (G) (3)

The Charter School LEA may need additional assistance in this area which will be provided by the SELPA.

Education Code §5206

The Charter School LEA will utilize the forms and procedures established to access the specialized equipment and services fund.

In the case where required services are unavailable or beyond the Charter LEA's capability, the El Dorado County Charter SELPA will contact the local geographic SELPA to see if services and/or placement can be obtained on a fee for services basis.

Education Code §56240 Staff Development

Reason for leaving Geographic SELPA: Sacramento City Unified School District (SCUSD) is a large, urban single district SELPA. As a school of the district, and not an LEA, GPS would be dependent of SCUSD for staffing. SCUSD is also a single district SELPA with no charters as LEAs. GPS is positioned to understand their role as an LEA and understands their fiscal and membership responsibility as an LEA. This association with EDCOE Charter SELPA will give GPS autonomy to choose staff members who are aligned with our mission and plan academic and emotional interventions for all students, not just students with IEPs, which is in line with our personalized learning model.
