The El Dorado County Superintendent is committed to equal opportunity for all individuals in education. El Dorado County Office of Education (EDCOE) programs and activities shall be free from discrimination based on race, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital, pregnancy, or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or expression, or genetic information; a perception of one or more of such characteristics; or association with one or more of these actual or perceived characteristics. The Board and Superintendent shall operate programs which ensure that discriminatory practices do not exist in all County Office of Education activities.

Annually, the Superintendent or designee shall review the EDCOE programs and activities to ensure the removal of any derogatory or discriminatory name, image, practice, or other barrier that may unlawfully prevent an individual or group in any of the protected categories stated above from accessing programs and activities. He/she shall take prompt, reasonable actions to remove any identified barrier.

All allegations of unlawful discrimination in the EDCOE programs and activities shall be investigated and resolved in accordance with the procedures specified in AR 4100 - Uniform Complaint Procedures.

Pursuant to 34 CFR 104.8 and 34 CFR 106.9, the Superintendent or designee shall notify students, parents/guardians, employees, employee organizations, applicants for admission and employment, and sources of referral for applicants about the EDCOE's policy on nondiscrimination and related complaint procedures. Such notification shall be included in each announcement, bulletin, handbook, application form, or other materials distributed to these groups and, as applicable, to the public. As appropriate, such notification shall be posted in program schools and offices, including staff lounges and other prominent locations and shall be posted on the district's web site and, when available, district-supported social media.

The EDCOE's nondiscrimination policy and related informational materials shall be published in a format that parents/guardians can understand. In addition, when 15 percent or more of a program's students speak a single primary language other than English, those materials shall be translated into that other language.

The EDCOE's programs and facilities, viewed in their entirety, shall be in compliance with the Americans with Disabilities Act (ADA) and any implementing standards and/or regulations. When structural changes to existing facilities are needed to provide individuals with disabilities access to programs, services, activities, or facilities, the Superintendent or designee shall develop a transition plan that sets forth the steps for completing the changes. In addition, new construction and alterations to facilities existing before January 26, 1992, shall be accessible when viewed in their entirety.

The Superintendent or designee shall ensure that the County Office of Education provides appropriate auxiliary aids and services where reasonable and necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity.

These aids and services may include, but are not limited to, qualified interpreters or readers, assistive listening devices, assistive technologies or other modifications to increase accessibility to EDCOE web sites, note takers, written materials, taped text, and Braille or large print materials.

Individuals with disabilities shall notify the Superintendent or designee if they have a disability that requires special assistance or services. Reasonable notification should be given prior to the school-sponsored function, program or meeting.
