## BB 9320 - Meetings and Notices

Meetings of the County Board of Education are conducted for the purpose of accomplishing County Board business. In accordance with state open meeting laws (Brown Act), the County Board shall hold its meetings in public and shall conduct closed sessions during such meetings only as authorized by law. To encourage community involvement in the schools, County Board meetings shall provide opportunities for questions and comments by members of the public. All meetings shall be conducted in accordance with law and the County Board's bylaws, policies, and administrative regulations.

A County Board meeting exists whenever a majority of County Board members gather at the same time and place to hear, discuss, or deliberate upon any item within the subject matter jurisdiction of the County Board.

A majority of the County Board shall not, outside of an authorized meeting, use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item that is within the subject matter jurisdiction of the County Board. However, the County Superintendent of Schools or a county office of education (COE) employee or official may engage in separate conversations with County Board members in order to answer questions or provide information regarding an item within the subject matter jurisdiction of the County Board, as long as that person does not communicate the comments or position of any County Board members to other County Board members.

In order to help ensure the participation of individuals with disabilities at County Board meetings, appropriate disability-related accommodations or modifications shall be provided upon request in accordance with the Americans with Disabilities Act.

### Regular Meetings

The County Board shall hold one regular meeting each month, with the exception of the month of July when a meeting may be held if necessary. Regular meetings ~~are generally shall be~~ held at 12:30 p.m. on the first Tuesday of the month at the El Dorado County Office of Education, Placerville, California.

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public and on the County Board's and/or COE's web site.

Whenever agenda materials relating to an open session of a regular meeting are distributed to the County Board less than 72 hours before the meeting, the secretary to the County Board or his/her designee shall make the materials available for public inspection at a public office or location designated for that purpose.

### Special Meetings

Special meetings of the County Board may be called by the board president when exigencies require them to be held, or whenever any three members of the County Board make a written request for such a meeting. However, a special meeting shall not be called regarding the salary, salary

schedule, or other compensation of the County Superintendent.

Written notice of special meetings shall be delivered personally or by any other means to all County Board members and the local media who have requested such notice in writing. The notice also shall be posted on the County Board's and/or COE's web site. The notice shall be received at least 24 hours before the time of the meeting. The notice shall also be posted at least 24 hours before the meeting in a location freely accessible to the public. The notice shall specify the time and place of the meeting and the business to be transacted or discussed. No other business shall be considered at this meeting.

Any County Board member may waive the 24-hour written notice requirement prior to the time of the meeting by filing a written waiver of notice with the secretary of the County Board or by being present at the meeting at the time it convenes.

Every notice of a special meeting shall provide an opportunity for members of the public to directly address the County Board concerning any item that has been described in the meeting notice, before or during the item's consideration.

### Emergency Meetings

In the case of an emergency situation for which prompt action is necessary due to the disruption or threatened disruption of public facilities, the County Board may hold an emergency meeting without complying with the 24-hour notice and/or 24-hour posting requirement for special meetings pursuant to Government Code 54956. The County Board shall comply with all other requirements for special meetings during an emergency meeting.

An emergency situation means either of the following:

1. An emergency, which shall be defined as a work stoppage, crippling activity, or other activity that severely impairs public health and/or safety as determined by a majority of the members of the County Board
2. A dire emergency, which shall be defined as a crippling disaster, mass destruction, terrorist activity, or threatened terrorist act that poses peril so immediate and significant that requiring the County Board to provide one-hour notice before holding an emergency meeting may endanger the public health and/or safety as determined by a majority of the members of the County Board

Except in the case of a dire emergency, the County Board president or designee shall give notice of the emergency meeting by telephone at least one hour before the meeting to the local media that have requested notice of special meetings. All telephone numbers provided by the media in the most recent request for notification must be exhausted. If telephone services are not functioning, the notice requirement of one hour is waived and, as soon after the meeting as possible, the County Board shall notify those media representatives of the meeting and shall describe the purpose of the meeting and any action taken by the County Board. In the case of a dire emergency, the County Board president or designee shall give such notice at or near the time he/she notifies the other members of the County Board about the meeting.

The minutes of the meeting, a list of persons the County Board president or designee notified or attempted to notify, a copy of the roll call vote, and any actions taken at the meeting shall be posted

for at least 10 days in a public place as soon after the meeting as possible.

#### Adjourned/Continued Meetings

A majority vote by the County Board may adjourn/continue any regular or special meeting to a later time and place that shall be specified in the order of adjournment. Less than a quorum of the County Board may adjourn such a meeting. If no County Board members are present, the secretary or the clerk may declare the meeting adjourned to a later time and shall give notice in the same manner required for special meetings.

Within 24 hours after the time of adjournment, a copy of the order or notice of adjournment/continuance shall be conspicuously posted on or near the door of the place where the meeting was held.

#### Study Sessions, Retreats, Public Forums, and Discussion Meetings

The County Board may occasionally convene a study session or public forum to study an issue in more detail or to receive information from staff or feedback from members of the public.

The County Board may also convene a retreat or discussion meeting to discuss County Board roles and relationships.

Public notice shall be given in accordance with law when a quorum of the County Board is attending a study session, retreat, public forum, or discussion meeting. All such meetings shall comply with the Brown Act and shall be held in open session and within the county. Action items shall not be included on the agenda for these meetings.

#### Other Gatherings

Attendance by a majority of County Board members at any of the following events is not subject to the Brown Act provided that a majority of the County Board members do not discuss specific County Board business among themselves other than as part of the scheduled program:

1. A conference or similar public gathering open to the public that involves a discussion of issues of general interest to the public or to school board members
2. An open, publicized meeting organized by a person or organization other than the County Board or COE to address a topic of local community concern
3. An open and noticed meeting of another body of the COE
4. An open and noticed meeting of a legislative body of another local agency
5. A purely social or ceremonial occasion
6. An open and noticed meeting of a standing committee of the County Board, provided that the County Board members who are not members of the standing committee attend only as observers.

Individual contacts or conversations between a County Board member and any other person are not subject to the Brown Act.

## Location of Meetings

Meetings shall not be held in a facility that prohibits the admittance of any person on the basis of ancestry or any characteristic listed in Government Code 11135, including, but not limited to, religion, sex, or sexual orientation. In addition, meetings shall not be held in a facility which is inaccessible to individuals with disabilities or where members of the public must make a payment or purchase in order to be admitted.

Meetings shall be held within the county, except to do any of the following:

1. Comply with state or federal law or court order or attend a judicial or administrative proceeding to which the COE is a party
2. Inspect real or personal property which cannot conveniently be brought into the county, provided that the topic of the meeting is limited to items directly related to the property
3. Participate in meetings or discussions of multiagency significance, provided these meetings are held within one of the other agencies' boundaries, with all participating agencies giving the notice required by law
4. Meet in the closest meeting facility if the COE has no meeting facility within its boundaries or if its principal office is located outside the county
5. Meet with elected or appointed state or federal officials when a local meeting would be impractical, solely to discuss legislative or regulatory issues affecting the COE over which the state or federal officials have jurisdiction
6. Meet in or near a facility owned by the COE but located outside the county, provided the meeting agenda is limited to items directly related to that facility
7. Visit the office of the County Board's legal counsel for a closed session on pending litigation, when doing so would reduce legal fees or costs
8. Interview residents of another county or district regarding the County Board's potential employment of an applicant for interim County Superintendent

Meetings exempted from the boundary requirements, as specified in items #1-8 above, shall still be subject to the notice and open meeting requirements for regular and special meetings when a quorum of the County Board attends the meeting.

If a fire, flood, earthquake, or other emergency renders the regular meeting place unsafe, meetings shall be held for the duration of the emergency at a place designated by the County Board president or designee, who shall so inform all news media who have requested notice of special meetings by the most rapid available means of communication.

## Teleconferencing

A teleconference is a meeting of the County Board in which County Board members are in different locations, connected by electronic means through audio and/or video.

The County Board may use teleconferences for all purposes in connection with any meeting within its subject matter jurisdiction. All votes taken during a teleconference meeting shall be by roll call.

During the teleconference, at least a quorum of the members of the County Board shall participate from locations within the County.

Agendas shall be posted at all teleconference locations and shall list all teleconference locations whenever they are posted elsewhere. Additional teleconference locations may be provided to the public.

All teleconference locations shall be accessible to the public. All teleconferenced meetings shall be conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the County Board, including the right to address the County Board directly at each teleconference location.

All County Board policies, administrative regulations, and bylaws shall apply equally to meetings that are teleconferenced. The County Board secretary or designee shall facilitate public participation in the meeting at each teleconference location.
