According to 5 CCR § 11963.6, "nonclassroom-based charter schools that had a funding determination in the prior year must submit a funding determination request by February 1 of the fiscal year prior to the year the funding determination will be effective, when a new request is required under these regulations."

*Describe briefly the circumstances that brought about the request and why the waiver is necessary to achieve improved student performance and/or streamline or facilitate local agency operations. If more space is needed, please attach additional documents using the 'Attachments' section below.

Our last nonclassroom-based funding determination request was submitted in 2014-15 for a five year term for both our Charter Community School Home Study Academy (CDS 09 10090 0930123) and Charter Alternative Program (CAP) (CDS 09 10090 0123521). The CAP request was approved through 2019-20. We thought the Charter Community School Home Study Academy was under the same timelines. However, we discovered that the approved period of funding determination for Charter Community School Home Study Academy was different than that for CAP and was only through 2018-19. We learned of this difference after the February 1, 2019 deadline to submit a funding determination for 2019-20.
