

January 15, 2020

Richard Post
33 Fairbanks Rd.
Lexington, MA 02421

Dear Mr. Post,

I would like to take this opportunity to thank you for your generous donation of the below equipment on December 15, 2019:

1. Santa Barbara Instruments Self-Guiding Spectroscope
2. 100 Micron Slit for Spectrograph
3. Santa Barbara Instruments CFW-8 Filter Wheel
4. Astronomik Astronomical Filters, LRGB, 1-1/4" Mounted
5. ST4 Cable
6. Adapter Coupling

These donations will be used to enhance the Grahek-Lockhart Imaging Observatory and allow college-aged students the chance to do projects on stellar composition, red shift, etc.

We are dedicated to providing excellence in education for our students, and your generosity will help the El Dorado County Office of Education achieve this mission.

Your donation is deeply appreciated; thank you again for thinking of EDCOE!

El Dorado County Office of Education EIN: 94-2317114

Sincerely,

Kevin Monsma
Deputy Superintendent
El Dorado County Office of Education

EXCELLENCE IN EDUCATION FOR THE 21st CENTURY
Dr. Ed Manansala, County Superintendent of Schools

Dave Bloomsness
179 Winema Way
Medford, OR 97501-1930

Dear Mr. Bloomsness,

I would like to take this opportunity to thank you for your generous donation of the below equipment to the Community Observatory:

1. Santa Barbara Instruments ST-7 CCD Camera
2. Parallel Cable
3. Spare Desiccant Plug
4. Power Supply
5. ST-4 Cable and Serial Connector

These donations will be used to enhance the Grahek-Lockhart Imaging Observatory and allow college-aged students the chance to do projects on stellar composition, red shift, etc.

We are dedicated to providing excellence in education for our students, and your generosity will help the El Dorado County Office of Education achieve this mission.

Your donation is deeply appreciated; thank you again for thinking of EDCOE!
