

FACILITIES

BP 7400 Public Use of Facilities

Since the educational facilities belong to the people of the County, and since educational facilities under the control of the County Board of Education are established, operated and maintained by public funds, the County Board of Education accepts the responsibility for making its educational facilities available to responsible organizations, associations, agencies, institutions or groups of the community. The County Board encourages use of County facilities by community organizations. The facilities will be made available for appropriate educational, civic, cultural, welfare or recreational activities which are consistent with the conduct and best interests of the educational and administrative activities of the County Office of Education. Priority for use of El Dorado County Office of Education facilities will be given to County Office programs and personnel and other school-related activities. The County Superintendent shall establish administrative procedures for developing priority usage.
