

Preschool Referral Program

Holy Family Preschool is introducing a new **REFERRAL PROGRAM** to our current preschool families and to our current preschool staff. The program is simple, if you have found your experience here at Holy Family Preschool to be something that you would want to share with others we encourage you to do just that! Spread the word, invite your friends to visit our program and encourage them to give us a try. In appreciation for your efforts and commitment to our Program we want to thank you with the following incentive.

Current Preschool families and staff will receive a cash incentive for each family they refer to our program at the rate of a full time student \$75.00, for a part time student \$50.00 and for the afternoon program \$25.00. The new family must be enrolled at least 30 days before payment of the incentive.

The following information must be completed and accompany the new application:
