

Scrip News!!

All families must Register and open an account at www.Shopwithscrip.com

This is how scrip purchases for families will be tracked this year. Additionally, we are encouraging families to place orders and pay for scrip online. However, paper orders and cash/checks will still be accepted.

Step by Step Overview:

Open an account

- Order your scrip
 - either pay using presto pay (similar to pay pal account)
 - or select check/cash.

- Print order form and bring to school.
 - If paying at school, submit payment with form.
 - We will attempt to fill your order from the scrip on hand inventory. If something needs to be ordered, it will be available the following Friday if ordered/paid for by the Monday prior.

Presto Pay tips

- Presto Pay is a convenient way to pay for scrip immediately
 - This provides instant access to “Scrip Now” purchases which is similar to groupon code that can printed at home or you can use the code on your smartphone
 - and “Reloads” which is when you add funds to an existing gift card

- The Presto pay set up, is a multi-step process concluding with a verification code being provided to the family. This code needs to be sent to the scrip coordinator as the final step.

For timely delivery- place your order by Monday 3:00pm for pick up Friday!!
