

Sun Screen Policy

Holy Family Preschool and Child Care Center

Sunscreen should be applied in the morning before your child arrives at preschool. With written permission from the legal guardian, sunscreen will be reapplied after the nap period for full time students. The school age students will reapply sunscreen before the afternoon water play activities.

The preschool will purchase the sunscreen and have it available for use throughout the summer. If your child has any type of skin allergy or is allergic to sunscreen please indicate that information on the authorization sheet. This policy will go into effect on April 1st of 2004. If you have any questions please do not hesitate in contacting us.
