JOG-A-THON NEWS

Get ready... stretch, hydrate and rest-up, be ready to kick up your heels and run for fun. Great prizes and CASH awards for those students with the most pledges and money earned. Kindly look for pledge forms to go home next week. Gather your pledges from family, friends and neighbors (pledges can be per lap or a flat rate). Every student runs including, new this year, our Pre-K class! Please review the attached flyer. We are Born to Run. Thank you.

From Our Principal Mrs. Sherman:

It has been a wonderful first week. Thank you so much for making me feel so welcome to the Holy Family School family.

Last Thursday was Mrs. Mandel-Sonner's, our sixth grade teacher since January, last day with us. She decided that she needed to be able to spend more time at home with her infant. We wish her the best.

I am excited to share the news that Mr. Robert Luippold will be returning to Holy Family as the sixth grade teacher. His experience at Holy Family and his long term commitment to the students of the Diocese of Sacramento will make the transition very smooth. Welcome back Mr. Luippold!

Registration packets have been under construction and are now fixed and useable on our website. We apologize for the inconvenience. Due to this delay, we are extending the due date to **Wednesday, April 2, 2014.**

The church is in need of (30) **Easter Lilies** for the altar decorations. If you are able to help, please bring them to the parish office on Thursday, April 17, 2014. Thank you.

The classrooms are in need of paper towels and wipes. Second trimester (grades 3-5) are responsible for turning in paper towels and wipes. If you have not yet turned your supply in, please do so now. Thank you.

2014-2015 Registration Dates

Registration Packets

Available online NOW

Return to school on or before **April 2, 2014**

Registration Day

Friday, April 11, 2014

- Q-Z 4:00PM to 5:00PM

Mrs. Hernandez:

Happy SPRING!!! Thank you Mrs. Moresi for coming into our classroom and completing an adorable bunny rabbit project we used to decorate our classroom windows! We are enjoying our Smart board and all the learning and just plain FUN things we can do on it. Technology really adds a whole level of learning into the classroom environment. God is good in all things! Thank you so much for the donations of Hospitality Sunday items and thank you to Mrs. Trimpey, Mrs. Gurney, and Mrs. Phelps for all your help in organizing and implementing the day. We appreciate you! This week's Sight Words- **your, when, were, all, not, and word**. Please send 1 box of color crayons for your child's tool box and 1 package of colored index cards (Sight Words) as soon as you are able, thank you! Reminder Easter Vacation is April 18th-25th. This Lent we thank Jesus for the gift of life and love that he fills us with each day.

Mrs. Polnasek/Foucek:

A normal week is here! Five, full days! We will have centers this week. The centers this week will include pronouns I and me, using model magic to make either Wilbur or Charlotte, silent reading, measurement, and writing about a new adventure with Dodger. Be sure to ask your children about centers. Which was their favorite? Least favorite? The grammar center this week the students will be using iPhone or iPad (borrowed by myself and Mrs. Busch) to practice when to use I and me. I am looking for donations of old iPhones that I can use during centers. I have already received 2 and am looking for 3 more so that each child may use one during the grammar center. I am able to reset the iPhone and restrict it so that all programs and apps are wiped clean and student centered. Please contact me with any questions or donations. We will finish off the week with a reading and spelling test.

Language Arts: pronouns I and me, spelling words with kn, wr, mb, gn, plot and theme

Math: measurement using feet and inches, multiplying by 1 and 100

Religion: The Sacrament of Reconciliation preparation

Science: Rollers and Wheels Test Thursday

Social Studies: American Cultures Test Tuesday

Mrs. Chapman:

Thank you, parents and grandparents, for your help and support with our field trip last week. Everything went well and a fun time was had by all. The annual Jog-a-thon event is coming up next month April 9th, 2014. Jog-a-thon information was sent home today in your child's communication folder. **Have a Blessed Week.**

Math- Measurement **Social Studies-**Understand Money is a method of exchanging goods and services
Science: Zoology **Phonics/Language Arts:** Story: Tippy toe Chick / ou and ow sounds in words. Character/setting/plot

Grammar: Understanding commands in writing: Periods & Capitals

Religion: Holy People help one another.

Mrs. Piegaro:

Students attended confession Monday morning. This week in language arts we will read "I Love Saturdays y domingos." Students will take their weekly language arts and spelling tests on Friday. Math assessments will be given on Wednesday. In science, we will continue our Meteorology unit with daily lessons. In religion, students will take their Holy Week test on Friday. There is no online chapter review. Social Studies test will be given on Friday.

Check our class calendar on edline for homework information, testing details, and schedule changes.

Mrs. Sedgwick:

We had confessions today. The children did well. Kate Van Overen is our Rock Star this week. We are reading the science fiction story "Moonwalk." Our spelling focus is related words. In grammar, we are learning prepositions and prepositional phrases. All language arts tests will be on Friday. Our social studies test on California Agriculture: Week 25 will be Thursday. We will learn about multiplying two two-digit numbers, remainders in word problems, mixed numbers and improper fractions and classifying quadrilaterals in math. We will take our test 17 including division facts on Monday, March 31, 2014. Our chapter 18 religion test will be on Tuesday, April 1, 2014. Have a wonderful week!

Mr. Luippold:

Welcome back Mr. Luippold!

Mrs. Altobell:

What a great time we had at the Marin Headlands! Thank you to Mrs. Ehnen, Mrs. Gardner, Mr. Lewis and Mr. Schrader for serving as chaperones on this trip. I truly appreciate your help!

This week we will be reading the expository non-fiction story "Ghost Towns of the American West". We will be working on the skill of generalizing. In grammar, we will focus on adverbs, and our spelling words are words that are related. We will take our weekly language arts tests on Friday. In math, we will work on reciprocals, dividing fractions, and be introduced to integers. We will not have a math test this week. In religion, we will work through Chapter 17 on Jesus establishing His Church. We will take the Chapter 17 test on Friday. We will begin Week 24 in social studies on "Industry vs. Agriculture", but we will not take our test until *next* Wednesday. In science, we will begin Chapter 2 on changes in matter. Don't forget \$1.00 for free dress on Wednesday for U.S.A. day. Have a great week!

Mrs. Remick:

I hope every child is making small sacrifices in order to fill their baby bottle for the Sacramento Life Center. Bottles are due by April 2. Today we were blessed with the opportunity to receive the Sacrament of Reconciliation. We thank Father Soria and Father Octavio.

6th grade Social studies: We wrap up Greek Civilization. We are currently discussing Greek Culture.

6th grade Science: We will complete our precipitation and cloud activity and discuss weather including storms and air fronts.

7th grade Social studies: We discover the early people of the Americas. We will discuss the impact of Europeans on the Americas.

7th grade Science: We will finish our lab, Nature at Work and continue exploring evolution.

8th grade Social studies: Tuesday we have a quiz on Sec. 4 Life During the Civil war. This week we will focus on important generals, women, battles, and milestones during the Civil War.

8th grade Science: We continue and finish Energy and Motion. Our focus this week will be on types of energy including potential and kinetic. Test on Thursday.

Mrs. Hendry:

St. Philomene is having a dance for 7th & 8th grade students next Friday, April 4th. School confessions are TODAY at 1:15 for Junior High students. The students on *flag duty* this week are **Maddie B & Samantha C.** and our *safety patrol* student is **Zachary M.** Thanks for volunteering!

RELIGION: Keep up-to-date on EdLine.

Our prayer for the month of March is Saint Francis' Peace Prayer. The test will be this week.

6th Grade will be turning in their Religion textbooks on Monday. We will begin a discussion on Blessed John Paul II and watching a movie on his life. Please be prepared to speak to your child about your memories of Pope John Paul II. Mrs. King will be joining us on Thursday to speak about the Lenten season and the upcoming Stations of the Cross. I do hope you can join us on Wednesday, April 16th. **7th Grade** will begin a discussion on Blessed John Paul II and watching a movie on his life. Please be prepared to speak to your child about your memories of Pope John Paul II. Mrs. King will be joining us on Thursday to speak about the Lenten season and the upcoming Stations of the Cross. Throughout the next couple of weeks, we will begin preparing for the Stations of the Cross. I do hope you can join us on Wednesday, April 16th.

8th Grade will finish Chapter 17 with a chapter test on Friday. Encounter Bible Study Session #5 is Tuesday. Mrs. King will be joining us on Thursday to speak about the Lenten season and the upcoming Stations of the Cross. Throughout the next couple of weeks, we will begin preparing for the Stations of the Cross. I do hope you can join us on Wednesday, April 16th.

MATH: Keep up-to-date on EdLine.

6th Grade: I plan to cover Adding & Subtraction of Integers (L.59), Fractional and Percentage of a Number (L.60), Area and Angles of a Parallelogram (L.61), and hopefully Classifying Triangles (L.62). Power Up 11 and Cumulative Test 11 is **this** Tuesday. I provided lessons to study to students and on Edline.

7th Grade: I plan to cover Converting Rates (L.64), Similar Triangles (L.65), Special Right Triangles (L.66), and Percent of Change (L.67). Power Up Test 12 is **this** Tuesday. Power Up Test 13 and Cumulative Test 13 is tentatively scheduled for next Friday.

8th Grade: I plan to cover Equation of a Line Given Two Points (L.52), Adding & Subtracting Polynomials (L.53), Data on Box-and-Whisker Plots (L.54), and Solving Systems of Linear Equations (L.55). The Cumulative Test 10 will be **this** Wednesday. I provided lessons to study on Edline and to students.

My Math Lab will be on **Monday** ONLY this week from 3:00-4:00pm.

Art/Mrs. Biller:

SLE D 2,3

1.0 ARTISTIC PERCEPTION

Processing, Analyzing, and Responding to Sensory Information Through the Language and Skills Unique to the Visual Arts
Students perceive and respond to works of art, objects in nature, events, and the environment. They also use the vocabulary of the visual arts to express their observations.

Develop Perceptual Skills and Visual Arts Vocabulary

1.1 Use artistic terms when describing the intent and content of works of art.

Analyze Art Elements and Principles of Design

1.2 Analyze and justify how their artistic choices contribute to the expressive quality of their own works of art.

1.3 Analyze the use of the elements of art and the principles of design as they relate to meaning in video, film, or electronic media.

Student Objectives: Students to identify works of God's art in nature and environment during spring; students to compare art in nature to art in film.

Mrs. Patterson:

There is Math Lab on

Tuesday March 24, 2014

6th Grade:

Sixth grade just finished their assessment last week and the class average is at 97%. Way to go sixth grade. This week we will be exploring percent of change and solving two step equations and inequalities. There may be a test this Friday. Look for re-teaching sheet on edline.

This covers Common Core 6NS2, 6F3 and 6G2.

7th Grade:

Seventh grade will begin lessons learning all about compound interest and the difference between consumer loans and auto loans. Your student will have to bring in an auto advertisement. We are buying cars this week. This will cover Common Core 7F3 and 7NS3.a

8th Grade:

This is the final push to cover what is needed for your students to feel comfortable as the enter high Algebra or higher. We will be learning all about radicals this week. There will be a quiz on Thursday to assess their comprehension of the first three concepts. Common Core: 8AL-A1.2 and 8AL-A3.4, 8AL-F4

Math Lab is this Tuesday from 3-4

Mrs. Olmedo:

Kindergarten and 1st Grade will wrap up their lesson on the weather.

2nd and 3rd grades will wrap up their lesson on the weather and the seasons. We will have a quiz the week of April 1st.

4th and 5th grade will wrap up their lesson on the weather and seasons. We will have a quiz on April 3rd.

6th grade will complete their test on 3/26 on Unit 1 Lesson 2 Mis amigos y yo-My friends and I.

7th and 8th grade will complete their test on 3/25 on Unit 2 Lesson 2 En la escuela-In the school.

1-8 Grade: Please check edline for wordlist.
