From Our Principal Mrs. Sherman:

This past week has been very exciting for our school both academically and physically.

Please congratulate our Grade 5-7 Mathathon Team, and their head coach, Mrs. Patterson, who took First Place last Friday at the Diocesan Math Competition held at Presentation School. Competition included a team project (building a bridge with a variety of objects), individual tests, and a team logic quiz.

On Sunday, our **Track and Field Team** came away winners taking First Place in the Boys events, with individual students taking home awards! I was honored to be part of the Spring Awards Dinner last Thursday. I was very impressed with the outstanding leadership of the coaches and the appreciation shown by the students.

Thank you Mr. & Mrs. Schafer for the wonderful job keeping our marquee up to date and looking great.

This is our last full week of school with a lot of end of the year celebrations. Thank you for your continued support of Holy Family School.
