From Our Principal Mrs. Sherman:

Today is a special day for our eighth grade students – their Graduation! Holy Family School is very proud of these fine students and wish them the best of luck in high school and the future.

As the school year comes to an end I would like to remind you to make sure your student hasn't left behind any sweatshirts, jackets, backpacks and lunch sacks. We want to make sure our "lost and found bin" is empty.

As the school year comes to an end, so does my time here. My last day at Holy Family is June 11. I wish you the best and I look forward to seeing you in the future at various diocesan events.

*Gail Sherman*

Mrs. Hernandez:

I hope everyone enjoyed their Memorial Day Weekend with family and friends. May God bless our soldiers past and present. This week in Kindergarten we will be finishing up our Language Arts Curriculum and working on First Grade Skills. We will be practicing lots of Spelling! We have been having a lot of fun with this skill. The students seem to be highly engaged and displaying lots of self confidence. We do practice Spelling Tests using our Sight Words. This would be a phenomenal idea to work on with your child over the summer. In First Grade, they begin Spelling Tests!!! Wow!!! Using Sight Words your child should also be practicing forming small structured sentences emphasizing capitalization and punctuation. This Friday is our Leatherby's Field Trip with First Grade! Graduation t-shirts will go home Friday!

Mr. Luippold:

Congratulations to the 8th grade. I know this year has had its struggles, but I am a firm believer in the saying "what doesn't kill us only makes us stronger."

Be determined next year and the remaining years ahead of you. Study, be prepared, learn from your missteps, and experience high school. It's a lot of work, but take time to stop and soak it in- you're only young once.

Best of luck to the class of '14!

With the short week ahead of us, this week will be spent closing up those items that may be missing. The final vocabulary for 6th and 7th is on Thursday- it will likely be completed on Friday.

Have a great (short) week!
