**Born to Run**

HFCS jog a thon

WEDNESDAY, October 1

Get READY... let's RUN, run for the money, run for FUN! Look for pledge forms and envelopes to go home next week. Great prizes and CASH rewards for those students with the most pledges and money earned. Prepare to gather your pledges from family, friends and neighbors (pledges may be flat rate or per lap). New this year, flat rate pledges may be made online by visiting [Holyfamilyca.org](http://Holyfamilyca.org) and class sponsorships are available as well. Remember every student runs, jogs or walks, no student is left out of the fun. This is students helping students as 100% of the proceeds raised go directly to our school programs and activities. We are Born to Run. Thank you.

**From Our Principal Mr. Rucker:**

Dear Holy Family Parents,

Keep on signing up! I have seen so many names pop into the Beehively system, and if you haven't already done so, you should register as a new user TODAY! Simply click on the icon at the upper-right hand side of our website that says Beehively Login and click on New User. Once you fill out the info, I will approve you into the site where you will be able to receive updates like this one immediately – as well as real time grades and other pertinent communications.

Today marks the kickoff for the annual Jog-A-Thon at Holy Family. Students have been sent home with all of the information about the event. This year folks can sponsor joggers online by visiting our website and clicking the link available. It is that easy! I am challenging all of the students to meet the Principal's Challenge and earn a special BBQ lunch cooked by ME! I look forward to seeing everyone out there running on October 1<sup>st</sup>.

Lastly, I would like to take a moment to recognize Matthew Bajamundi, graduate of Holy Family. He was recently recognized in "The Catholic Herald" September issue for his leadership of the Jesuit pro-life club, Students for Life. His motto: "someone has to stop the injustice". His belief: "if I get other people to stand up (for pro-life), it will spread and touch others". We celebrate the life-altering religious foundation provided by our school; we join Matthew in prayer and action. Matthew is a true example of developing Christ-like behavior, as his actions are making a significant impact in our area.
