Together, we will reach our \$10,000 goal. We need your support and ask humbly for your generous contributions. This is the only 100% student participation fundraiser, students helping students. Thank you for the pledges already turned in. We are gratefully yours and Born to Run.

From Our Principal Mr. Rucker:

Dear Holy Family Parents,

Let's get those Jog-A-Thon pledges in! I have a record number of students that have qualified for the Principal's Challenge based on their laps run – now we need the pledges in to back them up so I can BBQ for a large crowd of students. Did you know that you can make pledges online at www.holyfamilyca.org? It is really easy, and can be done by anyone. So call up your relatives and ask them to jump online and show their support!

A couple of notes for the upcoming Halloween season:

Costume requirements for school are as follows – no blood or guts, no devils or death, no weapons or masks, no cross-dressing, and no revealing attire. Students must be in school appropriate footwear. Yes, we know this is quite limiting. We are a Catholic School first and foremost, so please abide by these guidelines. As I tell many of our older students, if these rules are too strict, have another costume for Halloween night!

Speaking of Halloween night, we will be changing our calendar and making Friday, October 31st a Minimum Day Dismissal.

Students should come to school in the costume they are wearing. If there are make-up or hair coloring components to the costume, those need to be done at home. Applying those things at school leads to an awful mess!

If there are any questions as to whether or not a costume is acceptable, please ask. If you are not sure and you don't ask, I would offer this advice: If you aren't sure, then it probably isn't ok.

Josh Rucker, Principal
