The Defending PAL Champion Hornets Track Team hit the field running and set many personal records on their way to a very impressive showing.

Boys Volleyball continues to work hard and will be a force to be reckoned with come tournament time once again!

Many of you received letters regarding your Scrip commitment and/or your Parent Hours for this year. In MANY cases, we just need you to go online and submit your hours to the database. For those of you that have a balance due, please submit prior to May 15th. This is especially important for graduating families!

## Box Tops

The current competition will carry us through the end of the school year – May 22, 2015. The class that brings in the most Box tops (clipped and unexpired) and Labels for Education (please do not combine in same baggies) will win Jamba Juice the last week of school.

## Scrip News

We are now able to offer the following cards through Shop with Scrip: Discover (\$100) and Visa (\$50). Like American Express, both of these cards DO NOT have an activation fee. These will only be ordered if a family places an order. We will have a small supply of American Express cards in the office; however, families need to order those online before obtaining them in the office. The Visa Card has a short shelf life. It has an expiration date on it which is six months from activation. Since it is activated by the supplier when it is purchased from Visa, the expiration date will be less than six months when received by the family. If there is a balance left after the expiration date, the cardholder needs to contact Visa and get a new one issued for the remaining balance less a \$5.95 service charge. If not used prior to the six months, a \$3/month maintenance fee is charged.

We have also added Dutch Brothers, Noodles & Company, Cabos (Granite Bay) and Domenick's (Granite Bay) to scrip that is available to purchase.
