## Principal's News

Recently all of the students were asked how they define our school's Mission Statement of "Nurturing Christ-like behavior in one another". I thought it would be great to share some of the responses with you that struck me as rather impressive:

*"I nurture Christ-like behavior by loving others, to help others, to respect others. I will follow the rules and care for others and be nice."* – William in 2<sup>nd</sup> Grade

*"One way I (live the mission statement) is helping a team member if they fall down. I see other children nurturing this behavior when they say the truth in class. Other times I see this behavior is when people go to cheer on basketball or volleyball, or when people go to Mass and pray. Also, I see it when people help a person to understand a problem."* – Limal in 5<sup>th</sup> Grade

I feel that this deep understanding of what we are about as a school really helps our kids to find success. It is a part of what makes our Catholic School so special – and so important to the future of our children. Did you know that students coming from a Catholic School have an 85.7% rate of attending college? This is in stark comparison to the rate from Public and Charter Schools at 39.5%.

Thank you for all of the sacrifices you make to send your children to Holy Family Catholic School. It is an investment in their future that will pay dividends in the end!

## Box Tops/Labels for Education News

Please continue to turn in your trimmed, unexpired Box Tops and Labels for Education (LFE) and remember to write your child's name and grade on the bag. A new competition has begun and will run until Thanksgiving break. Each child that turns in 25 Box Tops or 25 LFE points will receive a free dress pass to be used on a day to be determined by Mr. Rucker. To make it easier, attached is a fall collection sheet that is worth 50 LFE points, if completed properly. As always, please let me know if you have any questions.
