Principal News

Dear Holy Family Community,

Thank you so much to all of you that have been able to turn in your registration packets - it is a HUGE help to us as we plan for the coming year. It was nice to see so many faces at the registration event signing up to volunteer for our school fundraising activities. We can't do what we do without all of you, so my sincerest thanks go out to you.

As we come to the close of our Lenten journey this week and prepare for the Easter Triduum, I have received some questions about the students receiving the sacrament of Reconciliation. This season, Father Soria and Father Santiago have requested that instead of offering a separate Reconciliation for the students of our school, that you as parents are invited to take your child to one of the many Reconciliation offerings either at Holy Family Church or your particular Parish. They feel that this is a great way to model the faith for our children and to lead by example. It is very hard to argue with that logic, and what better time of year than Lent to give of our time for this important faith practice?

I wish all of you a blessed Easter Vacation filled with joy and plenty of rest. The final days of this school year will be upon us rapidly and we will be talking graduation very soon.
