Principal News

Dear Holy Family Community,

Our students at Holy Family Catholic School continually amaze me with their intelligence and their willingness to serve others. The Student Council is always coming up with new ways to make a difference, both in our community and in our global environment.

I am pleased to support this latest effort this Friday, as the students in Grades 4-8 embark on a social experiment called "A Day of Silence". This exercise in vocal restraint is meant to serve as a reminder that there are over 58 million children around the world that will never get the chance to have a formal education. For all of these children that do not have a voice, the students will be encouraged to unite in silence throughout the day on Friday.

As a parent, I'm sure the first thought is about the impact on the school day. Please know that the teachers have geared their curriculum for the day to involve the ability for students to work silently. Also please know that we are not so naive as to imagine that students in grades 4-8 can maintain silence for an entire day! With that being said, there will not be any sort of penalty for students that speak. This is simply being used as a chance to increase awareness about a global issue that our students find important - and as Principal of this school I fully support their decision and efforts toward a Day of Silence. I am very proud of our students and their social consciousness, and I ask that you support them as well in this voluntary effort on Friday.

Parent Club News

HFCS GOLF CLASSIC: Join us on Friday, April 29, at Lincoln Hills Golf Club for another great day on the links with HFCS! Registration and sponsorship information are available now online via the school website. For more information please contact Ralph Yonka or Tim Spencer.

SPRING “BOGO” BOOK FAIR: We’re having a spring book fair May 4-6! This is the perfect time to stock up on summer reading materials since everything is Buy-One-Get-One FREE! Look for more information coming home soon.

The book fair is in need of volunteers to help with setup, sales hours & tear down. If you still need Parent Service Points for the year or are available to help, please contact Diane Phelps.

CAMPUS WORK DAY: We’re interested to see how many people would be interested in earning some Parent Service Points by helping out with a campus work day in May. We need some help building shelves, organizing, cleaning and a few more projects around campus. If you need points and/or are able to help, please contact ShaKay Mack via email (shakaym@yahoo.com).

MISSED THE REGISTRATION EVENT? Don’t worry; there are still plenty of volunteer openings for the next school year. There will be a complete list posted to the website this summer.

If you would like more information on our fundraisers, volunteering or have a question, please contact our Parent Club President, ShaKay Mack (shakaym@yahoo.com).

Box Tops/Labels for Education News

The final competition of the school year has begun and will end on April 29th. The winning class will receive an ice cream party. Please remember to trim your Box Tops and make sure they have not expired. Also, please make sure the bar code is included with the LFEs. Attached to this newsletter is a LFE collection sheet. Each completed sheet is worth 50 points and only requires 5 labels. The LFE program will be ending soon. Let’s try and go out with a bang and submit as many labels as possible.
