## Principal News

Dear Holy Family Community,

The Winter sports seasons are in full swing! Our basketball teams and Little Dribbler teams have all begun their league play and are representing us very well. Keep playing hard and showing that amazing Hornet Pride!

With this wet weather, it is that time of year when driving becomes extra dangerous. Visibility is low, roads are slick, and drivers are running late! These elements make for the necessity of added precautions. PLEASE, PLEASE, PLEASE drive slowly in our parking lot, respect the proper flow of traffic, and be extremely careful when exiting our parking lot and only make the left turn when it is legal (which is not immediately before or after school). We have kids making mad dashes to the car to get out of the rain and we all need to be aware and keep our eyes wide open.

Thank you all for your support this year with the added minimum days we are having. These days are used for our teachers to meet with their fellow colleagues from other Diocesan schools and train together with best practices and curriculum articulation. Ultimately, our students will benefit from our teachers having this time to improve their craft. Please know that we understand that the minimum day schedule can be a burden, and your patience is appreciated.

Have a great week!
