Principal News

It was great to see everyone for the annual State of the School address last week. For those of you that could not make it, I will be sending out the talking points and some important information for everyone to be aware of for next year. All in all, it was a very positive meeting where there was much to acknowledge and praise.

Please make sure that you keep on your radar that Holy Family will once again be offering a Summer Camp for our students ranging from incoming Kinder - 5th Grade. Since last year was such a success, we are hoping to expand the duration of camp a few more weeks to get us through the majority of July. Stay tuned for all the details coming out very soon.

One of the biggest talking points of the State of the School address that you should all be aware of is the change we are making to the registration process. We will no longer be hosting the afternoon event in the gymnasium where we ask you to sign up for volunteer positions and submit your registration packet. This will be replaced with an online volunteer registration process, and the completion of the volunteer registration as well as your fillable PDF registration packet, will be due to submit to the school office by a specified date to be determined. This change will save everyone time and will not require anyone to leave work early or take a day off. We are hoping the convenience of the process will be a positive change.
