## Principal News

Dear Holy Family Community,

Please keep the 7<sup>th</sup> Grade class in your prayers as they are away this week for their Science Camp field trip at Westminster Woods.

Thank you all for your patience while the insurance claim was settled regarding the giant oak tree the fell during the storms. The last of the tree (the stump) was removed with an excavator, which had to wait until the ground was somewhat dry in order to do the job otherwise it would have gotten stuck! The next step will be to have the fence repaired, which should happen over the Spring Break as it will take a few days to complete without any students present.

Lastly, if you are a K-4 parent and you have an aspiring golfer, or at least a student that is intrigued with the idea of playing golf, you will want to take a look at the attached flyer. Our Golf Coach has worked a fantastic deal with the folks at Haggin Oaks, along with our Kinder parent Tom Redeagle (thank you!) for our kids to start an introductory golf program for 8-weeks at an amazingly reasonable price! If interested, take a look at the flyer and join them for an orientation meeting this Wednesday.

Have a great week!
