Principal News

Dear Holy Family Community,

First week of school in the books, and it went so well that the new Parent Club President, Priscilla Newburn, thought we needed a POOL PARTY. So we had one, and it was "da bomb".

Our first week of school was exciting, filled with many excited students, parents, staff and faculty, and one very excited principal. It was good to see so much positive energy. However if you thought the excitement was over you must have forgotten about Back to School Night. That is right. Wednesday, August 23rd at 6 o'clock in the Gym, we will be hosting Holy Family Catholic School, Back to School Night. I will have a few things to say about the state of the school, and then a few words from the people in our school who make it run.

When comments have concluded, parents will proceed to the classrooms. We will be on a 15 minute bell schedule, so that those of you, who have young people in different grades, will have an opportunity to rotate to the different classrooms.

God bless,
Jude Mikal

Box Tops/Labels for Education News

Welcome back! As many of you know, the Labels for Education Program is coming to an end. It was originally scheduled to end last August but has been extended until January 2, 2018. While you may not find Labels on new products, there are still some out there. Ask your parents, grandparents, family, friends and everyone you know. A few months ago we redeemed 1,350 points for two tetherballs. They will be installed soon; the kids are very excited. The goal is to get two additional tetherballs. We can do this, with your help. Also, please continue to clip and submit your Box Tops and double check the expiration date. Expired Box Tops cannot be accepted. Stay tuned for more information on the upcoming competition.
