

K-3 Web Tools Notification

Dear Parents/Guardians,

We are excited to be using online tools to provide our students with a variety of learning experiences. The below tools require online accounts that the teachers will create for your son or daughter as needed. We believe that practicing responsible use of online accounts in school will encourage relevant discussion of online safety and privacy, respectful online interactions, and exploration of online communities as learning tools.

These online tools are designed to minimize risk to your child. The only personally identifying information that may be publicly shared on the Internet will be their first name. Students will be allowed to post their interests and opinions, but not their age, email address, photographs of themselves, or other sensitive information. We may add on other accounts that have the same privacy restrictions.

You will receive an email with specific tools we will be using this year.

Please review the above information; complete and return this form to school.

If you have any questions, please don't hesitate to call Anne Brinkman at the school (650) 368-8327 or technology@stpiusschool.org

_____ I give permission to St. Pius School to create online accounts for my child.

_____ I give permission for my child to use the above tools and other curricular tools. By doing so, I agree to enforce acceptable use when my child is off school property.

_____ I give permission for my child and the school to publish student work, with the understanding that student last names and confidential personal information will not be published.

_____ I give permission for my child and the school to publish photographs and videos of themselves with the understanding that student last names and confidential personal information will not be published.

Dear Parents,

This year your students will have access to a variety of online accounts to assist them in their schoolwork. Below are a few links that your son or daughter can use to access them from home. User ids and passwords will be sent home separately.

Expect to also receive a permission slip that allows us to create these accounts and your son or daughter permission to use these tools.

Web Tools

Pearson SuccessNet

www.pearsonsuccessnet.com

K Reading and Math

1st, 2nd, 3rd Grade Reading, Math, and Science

Pearson Online Learning Exchange

www.onlinelearningexchange.com

Social Studies

Mathletics

www.mathletics.com

Students can perform math activities and compete in class or global competitions.

Faith First

www.faithfirst.com/students.html

Religion activities. No account needed.
