## **THE SAINT PIUS SCHOOL ENDOWMENT FUND**

Catholic schools in America have a long and successful history. The single most important factor in this success has been the living endowment of the teaching religious which allowed our schools to operate at a fraction of the cost of other private schools. Today, that "living" endowment is no longer available. The only sources of income for Catholic schools are tuition and fund raising, with 75% of the income allocated to salaries of lay teachers and administrators.

Bishop DuMaine of San Jose noted that "the real crisis in our schools has less to do with the dramatic escalation of operating costs than in the equally dramatic shift of burden of bearing these costs from the Catholic community to the fee-paying parents of the present school generation." Just as it is the obligation of the community at large to provide education for the young, it is the obligation of the Catholic community to provide the opportunity for a Catholic education for Catholic young. It is equally important for the Catholic community to support its schools in such a way that they can offer a Catholic education to families from all economic strata. We must build up a financial endowment for our school that will allow us to continue offering an education grounded in Catholic faith and values with excellent academic programs, discipline and true sense of community.

At Saint Pius School an endowment fund has been established to stabilize tuition costs for generations of our children through ongoing income from capital funds. During the 1988-89 school year, a committee was formed to concentrate on a major fund drive to support the endowment. The drive began in earnest during the 1989-90 school year with a three-year pledge campaign. The initial ambitious goal was \$1,000,000. As of June 30, 2018, the fair market value of the fund is approximately \$3,784,883. The drive will continue every year as new families join our school community. Each new family will be personally contacted and asked to contribute what they can toward the endowment fund. Pledges may be paid over a three-year period.

We ask that you remember that the endowment fund works directly to support the daily operation of Saint Pius School. It has no other purpose. Our school is graduating students every year who have a keen sense of self and a sense of being a real part of our Saint Pius community, our Catholic faith and the community and world at large. With your continued help we can ensure that this commitment on the part of our school will continue to benefit our own children now and generations of children to follow.

For further information, please call Fr. Tom Martin, Judy Giacometti (361-1411) or Rita Carroll (368-8327).

## **E-SCRIP PROGRAM**

We no longer participate in the paper Scrip program. However, the e-Scrip program (electronic Scrip) remains an important Saint Pius School fundraiser. The money raised by this program benefits our children, so it is in our best interest to use e-Scrip as often as possible.

**To register for e-Scrip, go to: [www.escrip.com](http://www.escrip.com)  
Enter – St. Pius School, Redwood City, CA  
or Group ID #136565198**

Once enrolled in the e-Scrip program, you can register your credit cards and grocery chain rewards cards, such as Safeway, to generate funds for the school for groceries and goods purchased.

Please follow the directions carefully when you register your credit cards. And, remember, that when making purchases via your credit card, only purchases made with vendors participating in the e-Scrip program will generate a contribution to the school. To see a list of vendors, you can visit [www.escrip.com](http://www.escrip.com).

We encourage each family to participate in the e-Scrip program. Information regarding the e-Scrip program is included in the September folder.

Should you have any questions or need assistance in the enrollment process, please contact Sandy Edens at 368-8327.

## **SERVICE HOUR GUIDELINES 2018-2019**

Each family is required to do 40 hours of service (20 hours for single parent families). (A single parent family is defined as a family with one parent being financially and physically responsible for the child).

Service Hours will now be recorded on-line as well as a description of the service given. Please, be very specific in your description of the service given. Service hours may **only** be reported by the parents/guardians of the students. Hours worked by students, siblings, family members, etc. may **not** be recorded. Please remember, hours not recorded are not credited. You are responsible for entering your service hours on-line.

The Service Hour Program runs from June 1<sup>st</sup> through May 31<sup>st</sup> of each year. Service hours performed during the summer months, including the Festival, are counted toward the next school year.

Service hours fall into two categories: school and parish. Work in areas other than these does not count toward your service hour obligation.

Special circumstances and exceptions to the attached guidelines will be reviewed by the appropriate members of the School Commission. Please submit requests, questions and concerns in writing to the School Commission, c/o Saint Pius School. This will enable the School Commission to administer these guidelines fairly and uniformly for all.

This program is very important to our parish and school. It helps keep costs down, is a wonderful outlet for your creative energy and is a great opportunity to discover some of the talents and gifts you never knew you had!

## **SERVICE HOUR GUIDELINES 2018-2019**

1. The Service Hour Program remains a school/parish service program; yet, at least fifty (50) percent of the total service hour requirement must be completed in projects specifically related to the school. A family may work all forty (40) hours in projects for the school.
2. Material donations of \$20.00 equal one service hour. Donated items must be new.
3. Following Diocesan directives, there is a two tiered tuition. Any family not fulfilling their service hour commitment for the preceding school year will be charged a higher tuition.
4. Yard duty will count toward service hours. Each yard duty equals 1.5 service hours and is credited to the person who physically works the yard duty.
5. Only parish scout troop leaders may record up to a maximum of ten total hours for scouting.
6. Participation in adult education courses (such as RCIA, baptismal training, RENEW, marriage encounter) does not count toward service hours.
7. Hours may not be transferred between individuals.
8. Hours may not be banked from one year to another.
9. Coaches, assistant coaches and official scorekeepers may count all coaching time toward service hours.
10. A donation of baked goods is equal to one service hour per home baked item (not store bought). For example, one hour per batch of cookies, brownies, etc. (batch equals 2 dozen), one hour per cake, pie, etc. Any store bought donations will be credited as material donations. (See item 2, above.) Donations of baked goods/snacks for Day Care may only be made with prior approval of the Day Care Director and **may not exceed 5 hours**.
11. Attendance at Men's Club Board, Women's Club Board, PTG Board and School Commission meetings does count toward service hours as does attendance at PTG General Meetings. Attendance at Men's Club and Women's Club General Meetings does *not* count.

The above Service Hour Guidelines are reviewed annually.

The St. Pius Liturgy committee meets each month August through June. The committee coordinates with parish priests, staff, music ministers, lectors and the environment committee to plan for each liturgical season. Working together we strive to foster and nourish faith in the parish community with a “life giving spirit” (1Corinthians 15:45). In this spirit, we welcome you to join the liturgy committee. ## **Children's Liturgy Of The Word At The 9:30 AM Mass**

Thanks to a group of dedicated volunteers we are able to offer CLW year-round! The children in kindergarten through fourth grade hear and discuss the readings in a way that they can understand. The children are able to truly grasp and put into action Jesus' message. The readings often remind us that through our baptism we are connected to one another and called to be loving and humble disciples of Jesus. Remember to ask your children what they heard in the readings and to decide as a family how you can live out the message during the coming week. Come share your talent to either teach a lesson or assist and watch over the children for Children's Liturgy of the Word during the 9:30AM Mass. For information about this program or to volunteer contact Johanna Fogl at [johannalidia@gmail.com](mailto:johannalidia@gmail.com) or 650-743-2356.

## **Altar Serving**

## **FAITH FORMATION FOR ADULTS AND HIGH SCHOOL STUDENTS**

### ***Sacrament Preparation for Adults (R.C.I.A.)***

This preparation process is for:

- \* A person who has not received Christian baptism and wishes to become Catholic through the sacraments of initiation: Baptism, Confirmation and Eucharist
- \* A baptized Christian who wishes to become Catholic
- \* A Catholic who wishes to receive Eucharist and/or Confirmation
- \* A non-baptized person who wishes to inquire about the Catholic faith

The R.C.I.A. is structured over a series of ceremonial steps and periods of learning (Inquiry, Catechumenate, Purification & Enlightenment, & Mystagogy) and the timing of these may vary for each individual. You will join with others like yourself in learning what it means to be Catholic - what we believe, how we worship and pray and how we try to live our lives. For more information, please contact the parish center at (650) 361-1411.

### ***High School Confirmation***

Fr. Tom Martin, (650) 361-1411 extension 117 or [frtom@pius.org](mailto:frtom@pius.org)

Confirmation is one of the sacraments of initiation--it deepens our friendship with God through the gift of the Holy Spirit, and strengthens us for our mission as disciples. Preparation for the sacrament of Confirmation usually begins in 8<sup>th</sup> grade or freshman year of high school. Receiving the sacrament in high school, marks the beginning of a new phase in the lives of our young people. After receiving the sacrament and the gifts of the Holy Spirit, our young people are encouraged to share their time, talent, and treasure alongside the adults of the parish. Check the parish website ([www.pius.org](http://www.pius.org)) for registration material and schedules.

### ***Youth Ministry***

The youth of St. Pius Parish are an integral part of our community and are encouraged to participate in the many liturgical, social, and educational ministries and programs of our parish. Youth ministry provides opportunities for youth to gather, learn, have fun, and pray with others their age. This program serves two different age groups – junior high and high school. The junior high program meets after school on Tuesdays and Thursdays. Check the Church bulletin or website ([www.pius.org](http://www.pius.org)) for upcoming events.
