

APPLICANTS FOR FINANCIAL ASSISTANCE—REFUND OF REGISTRATION FEE

1. If you intend to apply for financial assistance from the School, *You must also apply for apply for financial assistance though (a) {Basic Fund} and (b) [TADS] or any award you may receive from the School may be reduced by the amounts available from Basic Fund and/or TADs.*
2. If you intend to apply for financial assistance from the School, you must still apply for entry to the School and/or register your child within the deadlines required by the School.
3. If your child is a new applicant to the School, you must pay the non-refundable Application Fee within the deadlines required by the School whether or not you are applying for financial assistance. If you pay by check, the School will cash your check rather than hold it.
4. Whether your child is a new applicant or a returning student, you must pay the Registration Fee within the deadlines required by the School whether or not you are applying for financial assistance. If you pay by check, the School will cash your check rather than hold it.
5. If you apply for financial assistance providing all required information by the deadline required by the School and you do not receive the amount of financial assistance you need to have your child attend the School, you will receive a refund of the Registration Fee IF you notify the School Principal in writing within ten (10) days after receipt of the School's letter granting financial assistance that you are withdrawing your School entry application. If you do not comply with these requirements, your Registration Fee will not be refunded.
6. Your Application Fee is non-refundable.
7. If your child is a new applicant to the School, you must pay the School's Acceptance Fee.

Thank you for following these rules to help the School manage student admissions and registration in a reasonable manner.
