## 4th Grade

**We are the Fourth Grade “Shooting Stars” who are awesome.**

**We strive to get a good education by growing our brains,  
by being independent learners, and by earning good grades.**

**We will follow in Jesus’ footsteps by being good examples for others  
and being helpful, cooperative, kind, and honest.**

**We Fourth Graders know the “Golden Rule”  
and we WILL treat each other as we would like to be treated ourselves.**
