Community

Charter University Prep is located in the rural Northern California county of El Dorado. We are located approximately one hour from the state Capital, Sacramento and serve families living in the Sierra foothills around the city of Placerville.

The school is part of Charter Alternative Programs which serves a wide variety of educational needs. Charter Alternative Programs is a fully accredited Charter School located in El Dorado County, California. This Charter is granted by the El Dorado County Office of Education and consists of five distinct programs at different sites operating under one CDS code.

1. Charter Community School – for at risk and expelled students, grades 7-12
2. El Dorado Trade School – vocational education focus, grades 7-12
3. Home Study Academy I – Home school with core classes, grades K-8
4. Charter Connections Academy – Independent study, grades 9-12
5. Charter University Prep – College Preparatory, grades 7-12

This Profile focuses on demographic, curriculum, and performance data for Charter University Prep.

School

Charter University Prep has a format is similar to a College where students come to class two days per week and must complete significant work at home on the other school days. We are fully accredited (6 year) by the Western Association of Schools and Colleges (WASC), and our graduates are very successful at top Universities throughout California and the world.

Depending on class choices, students come to the school site two or four days per week. Students schedule their non-classroom days to complete home assignments, pursue electives, take community college courses, participate in P.E. activities, participate in internships, or to work in the business world.
