## OUR MISSION

The El Dorado County Office of Education (EDCOE) Adult Education programs provide our region's adult learners with a wide range of rich learning experiences tailored to meet their unique needs. Caring, highly trained credentialed instructors are committed to helping students succeed in structured, yet flexible learning environments. All of the courses are free, allowing students to achieve their educational, career, and personal goals, whether they are earning a high school diploma or equivalency certificate (GED), or passing one of hundreds of industry-approved certifications at our Pearson Vue Test Center.

## TWO DISTINCT MODES OF LEARNING

### CLASSROOM OR DISTANCE LEARNING

Students at various academic stages may choose to work with an instructor in a traditional classroom setting, individually or in groups.

We design unique online or remote courses for students who cannot attend regularly scheduled classes.
