

PHOTOGRAPHIC AND VIDEO PERMISSION SLIP

Throughout the school year we take photos and video clips of the students during their normal school day. These are often then used in the In Touch newsletter, school brochures or other promotional materials. Occasionally when outside organizations visit our school they also ask that they may take photos of the students to promote their work with schools e.g. San Francisco Opera.

We require the following release form to be completed for your child/ren in case they are captured on film.

Please return this form in the blue envelope. If you have any questions, please call the school office at 366-6127.
