New Science Center for Mount Carmel School

The need for a purpose-built room for Science was identified during the WASC/WCEA accreditation process in 2001. It was determined that a purpose-built center would allow for a more activity-based science program that would further interest and motivate the students. Therefore, it was a major role of the School Board in 2001/2002 to determine the feasibility of adding a Science Center to the Mount Carmel facility.

The School Board recommended that the Science Center be located by the rear entrance to the Parish Center, close to the current Computer Lab. The Parish Council

gave their support of the building plan that would allow for a classroom accommodating 19 students without the loss of any of the current parking space.

The building will be a pre-fabricated structure that will be stuccoed and roofed to blend in with the present building.

Regardless of the constraints of the classroom the children continue to enjoy an exciting Science program at Mount Carmel.

Last year's Kindergarten program concluded with another successful Science Night. Students welcomed

Today's Students Campaign Success for Mount Carmel

As the Today's Students Tomorrows Leaders campaign reaches the end of its third year, we can appreciate its positive impact on the students at Our Lady of Mount Carmel School.

Due to the generosity of parishioners throughout the Archdiocese, additional funds are now available for scholarships and at Our Lady of Mount Carmel School, we have seen an 40% increase in the tuition assistance awarded to our families in the 2001/2002 school year. The parish goal for the Today's Students, Tomorrow's Leaders campaign set by the Archdiocese was \$144,878.00. This money was realized early in the campaign and monies pledged in excess, \$329,284.00 are already being realized. The \$67,402.00 received to date is helping our school's

Endowment Fund grow.

As a result, we are able to utilize the interest from the funds earlier than anticipated. This news is particularly welcome in the current economic climate.

In the 2002/2003 school year, \$50,000 will be available to families with a financial need. These funds help ensure that a Catholic education is still available to parish families. This year we anticipate helping 63 students, just over 20% of our student population, enjoy a faith-filled education at Mount Carmel School.

To those who have completed their commitment to the Today's Students campaign we offer our sincere thanks. To those who have been hesitant to continue payments, we hope that this information will show how much your gift can help the children of Mount Carmel. To those who are experiencing the financial concerns of many in our community, we offer our prayers, our support and our thanks for the gifts that you have felt able to make.

Together we can make a difference in the lives of our children.

Science at Mount Carmel

(continued from page 1)

their families and became the teachers for the evening. With the support of volunteers from the Stanford doctoral Physics program and NASA, they were able to show their new-found knowledge.

They could board the simulated Space Station, participate in a paper airplane derby or race around a magnetic track—all in the name of science.

For the Junior High students the year ended with their Exposition Day. 7th grade students presented their science projects while 8th graders gave physics demonstrations for parents and students. 6th grade students also used this opportunity to display their language arts projects on authors.

This year, as we build on last year's

successes, 4th, 5th and 6th grade students will participate in the Jason XIV Project, from Sea to Shore, researching the ecosystem of our coast, including San Francisco Bay.

For the 6th graders this will include a visit to the Marine Science Center.

Grades 2 and 3 will nurture their silk worms from chrysalis to flight. They are able pick the mulberry leaves from the trees just outside the classrooms on Grand Street. Meanwhile the 1st grade will be watching their ladybirds grow.

Imagine how much more they could do in the new Science Center!

As we move through the approval and building stages we look forward to sharing the progress with you. This time next year we expect to have a purpose-built facility for all our science needs.

If you would like more information about the Center or would like to see the detailed plans, please contact Julia Tollafield at 650-366-8817 or at development@mountcarmel.org.

Many companies dedicated to charitable giving participate in a matching gift program. Yours could be one of them. To make the most of your gift to Our Lady of Mount Carmel School, ask your Human Resources department if your company has a matching gift program.

Listen below are a few of the many companies who participate in a matching gift program.

Anheuser-Busch Cos., Inc.
 BankAmerica Corp.
 Citi/Citibank, N.A.
 Gap, Inc.
 Lucent Technologies
 McDonald's Corp.
 Merrill Lynch & Co. Foundation
 Microsoft Corp.
 Pacific Gas & Electric
 Charles Schwab & Co., Inc.
 Verizon Foundation
 Wells Fargo Bank, N.A.

The following companies made matching gifts to Mount Carmel School in 2001/2002:

Bank of America Foundation
Capital Group Companies Charitable Foundation
National Semiconductor
Palm, Inc
Sun Microsystems, Inc.
Virage, Inc.

Each year we aim to cover 30% of the cost of educating each child at Our Lady of Mount Carmel School through our development and fundraising programs. This is only possible with the support that we receive from our friends, families, alumni and parishioners, together with corporate and foundation gifts. The gifts that we receive, whether of time, talent or treasure, all contribute towards the funds that we raise.

We hope that this year we can offer a few new and exciting ways to generate funds while building on our previous successes.

Remember that there are many ways in which you can support us wherever you are. If you have internet access please take time to register with eScrip at www.eScrip.com which is a free and easy way for us to generate funds.

If you have any questions about Scrip or any of our programs, do not hesitate to contact me.

Alumni News

Viola Albertoli Gomes, '41, writes: "I can't believe that it has been 61 years since I graduated from Mount Carmel School.

Last year I went to the luncheon for us oldies, it was fantastic to meet with classmates; I hope that they do it again this year. I was so proud of my granddaughter; she graduated with honors from Notre Dame, Belmont June 1st, 2002.

Patrick Kelly, '50, and Leona Thompson Kelly, class of '54, have been married for 42 years, with two children and five grandchildren. They spend a great deal of time in the summer and fall on their ranch in Wyoming. They love the great outdoors and entertaining many of their friends from California

during the hunting season. Winters are spent back in San Jose, CA where they are on the golf course a lot.

Catherine Nix Keenan, '61, recently remarried. Her new husband is Robert Keenan, a musician. She is active with Phoenix Society of St. Vincent de Paul and the Phoenix Zoo. She has four grown children and four grandchildren, all living nearby. She is enjoying God's blessings!

Megan Duncan Shanahan, '79, would love to hear from old classmates in her area, El Dorado Hills. She and her husband, Tim, have two boys, Daniel age 10, and Chris, age 7.

Joe Washington, '80, is currently the Coordinating Producer for Fox Sports Net (Cable Channel 40). He married Mary Garvey in July 1999 and they have a son, JT III. They live in San Lorenzo but have lots of opportunities to return to Redwood City to see the rest of the family; **Mary, '76, Pat, '87, and Steve, '88.**

Tessa Crompton, '00, recently achieved Outstanding results in the Word Masters Challenge, a national competition for high school students requiring close reading and analysis of many different kinds of prose and poetry. Tessa attends Notre Dame High School, Belmont. Tessa also joined **Victoria Siekierski, '99,** as an inductee into the National Honor Society.

Class of 1951 Return to Mount Carmel

We continue to welcome our alumni back to Our Lady of Mount Carmel School, either when they drop by or for their class reunions.

The Class of 1951 met for a luncheon and tour of the school in June. A group of 20 graduates together with their spouses attended the event spearheaded by Rita Vogl Morton. A wonderful display of photographs and memorabilia added to their day and brought back many happy memories.

Our sincerest apologies to **Regina Plath Scutero** and her family for our error in showing her as a deceased member of the class of 1952 in the June issue of the In Touch newsletter. We understand that this error has caused much distress to her and her family and friends.

Getting Involved and Staying *In Touch*

Online

Visit us at www.mountcarmel.org

You'll find:

- What's New with reunion updates
- Alumni Community information
- School History
- Archived copies of the *In Touch* and much more

In Print

- Share your gifts of time and talent by contributing to the *In Touch* as a writer, editor or photographer. We also welcome story ideas. Alumni, parents and friends of Mount Carmel are invited to contribute.
- Tell us your news, big and small, in the "Alumni News" section of the newsletter. We love photos, too! (Email us for information on sending digital images.)

In Person

- Share your ideas and bring your energy to our committees, fundraisers and the daily life of our school. We are currently looking for members for the Development, Grant Writing and P.R. / Marketing Committees.

Experiencing In Touch Overload

- Is your household receiving multiple copies of the *In Touch*? Please call, write or email us if you would like to reduce the number of copies.

Passing In Touch On?

- We are happy to add family and friends to our mailing list. We also welcome news of our alumni when they move out of the family home.

School Event Calendar

This year, the support of the whole community is evident by the many groups joining together to raise funds for Mount Carmel School.

We hope that you can join us for one or all of these events.

Sept. 13, 2002 **Late Nite Catechism.** The professional production of this interactive comedy about life in the Catholic school classroom is hosted by the faculty and staff of Mount Carmel School. Tickets are \$35 each and can be obtained from the Development Office.

Sept. 29, 2002 Parents and parishioners join to bring us the annual **Golf Tournament and Banquet** at Poplar Creek Golf Course. The entry fee of \$105 includes Green Fee, Tee Prizes and Banquet. The Tournament will be played in a scramble format with separate flights for men and women. Registration forms are available from the Development Office or downloadable from the What's New page of the website at www.mountcarmel.org

Nov. 2, 2002 Under the direction of parent volunteers the **Mardi Gras Extravaganza and Auction** will be held at Mount Carmel School. Enjoy the live and silent auctions, music, various food stations and no-host bars at our wonderful parish and school facility.

Dec. 14, 2002 The new **Holiday Homes Tour** is a gift from the alumni, their parents and friends of Mount Carmel School. Come and tour the homes of the Mount Carmel area decorated for the Christmas season, and enjoy refreshments and a little Holiday shopping.

Further information is available at the Development Office at 650-366-8817 or on the What's New page of our website at www.mountcarmel.org.
