January 28, 2013

Dear St. Francis Elementary School Alumni Parent Community,

As you know, the St. Francis Elementary School community is built upon a series of Schoolwide Learning Expectations (SLEs). We stress the importance of these SLEs on a regular basis, and celebrate their demonstration most Fridays after Morning Prayer. Specifically, a St. Francis Elementary School Student is:

Spiritual:

- demonstrates Gospel values
- actively participates in prayer celebrations
- understands the Catholic faith
- shows a love of God, others, and self

Responsible:

- practices self-discipline
- makes Christ-like decisions
- owns his/her choices
- is trustworthy

Academic:

- actively solves problems and thinks critically
- makes progress through the diocesan standards
- develops and shares knowledge and talents
- demonstrates a curiosity and respect for learning

Confident:

- recognizes self-worth
- leads and cooperates
- embraces challenges
- always perseveres

Respectful:

- appreciates diversity and the uniqueness of others
- practices good citizenship
- lives the "Acts of Courtesy"
- cares for God's creations

We are interested in measuring and assessing how our SLE curriculum impacts our students once they graduate from St. Francis Elementary School until they graduate from high school. To that end, we have developed a brief survey that is intended to measure (1) how effectively the SLE curriculum prepared students for high school, and (2) how former students continue to demonstrate School Wide Learning Expectations in the community.

We appreciate your anticipated willingness to allow your alumni student take this survey, as well as, share ways in which we can continue to offer great results at our school.

To access this anonymous survey, please have your alumni student go www.stfranciselem.org/Alumni.asp. The survey will be available until February 28, 2013.

Sincerely,

Cheryl Ramirez
Principal
