

ACTIVE4.ME WILLET ELEMENTARY SPRING CHALLENGE REGISTRATION FORM

Please complete and return the form with a parent's signature and return it to school for processing.

Your child's name: _____

Gender: _____

Preferred Active4.me User Name for your child: _____

Please use a unique name. Minimum 3 characters, maximum 8. You are strongly discouraged from using your child's full name. If your selection is not unique, we will notify you with a different user name.

Preferred notification method if you wish to be notified your child has arrived at school: email
text phone none

Email address (optional, for AutoNotify): _____

Phone number (optional, for AutoNotify): _____

AutoNotify will automatically send an email, text, or phone message to let you know that you child's barcode has been scanned.

Miles traveled round trip to school from your home (by car, for calculating CO2 savings):

Please use Google to determine mileage to closest 0.1 of a mile.

Transportation type: bike scooter walking

Your child's teacher: _____ Grade: _____

I agree to have my child participate in Active4.me Spring 2012 Challenge. I agree for the information above to be entered into an Active4.me account that will correspond with a unique User Name and Barcode ID. I understand that to reap the educational benefits of this system, my child will have to carry his/her own barcode to school (preferably affixed to his/her backpack), and have the barcode scanned by volunteers during the 3 week challenge. I will encourage safe behaviors during my child's walk/bike to school. I give Active4.me permission to add and store the above information to an online database. This information will not be provided/shared or sold to any third party users. For full privacy statement see <http://active4.me/Privacy>.

Parent Name/Signature/Date (Please print name as well as providing a signature.)

I am interested in volunteering to support Active4.me at Willett:

___ **Yes.** If yes, my preferred contact information is _____
