

Community Book Club

Please join us for the start of a new Willett tradition! Reading together is a great way for families to bond. Book club is a way for us to make those same connections with others on campus.

How It Works:

- Our book club is open to all students grades 4—6 and an adult of their choice.
- Books may be available from the Willett Library or the Yolo County Library or may need to be purchased individually.
- Read the book together or separately, but both adult and child come prepared to talk, listen and share about what you've read.

If you are interested in joining, fill out the permission slip below and return it to the Willett library by **September 16th**. We will meet about once a month in the Willett library on a Tuesday evening at 6:45 pm. We will send an email with information regarding our first book and meeting date.

Any questions? Please contact Joy Klineberg at jvk2222@gmail.com or 753-4995
