

Davis Joint Unified School District
INFORMATION & APPLICATION FOR DISTRIBUTION
OF MATERIALS THROUGH SCHOOL
2015-2016

The Davis Joint Unified School district recognizes the value of distributing materials that are of broad interest to a great number of our students and their parents/guardians. However, the volume of requests and the staff time to handle the material require us to carefully monitor requests. Please note the following conditions for distribution requests:

1. Organizations requesting distribution of materials through the DJUSD must fall under one of the categories listed below. Please check the category that applies to you.

- Non-Profit organization ("Non Profit" must be printed on the flyer)
Non-Profit ID# _____ (required)
- School based groups seeking district distribution (i.e., SCC, SSC, P.T.A.)
- Public/Governmental non-profit agency (i.e., City of Davis Recreation Dept.)

** The district will not advertise goods or services unrelated to student education enrichment.

2. **Every flyer** must bear the following statement: "Not all organizations with access to this distribution network are required to abide by anti-discrimination statutes. Parents are encouraged to contact the activity sponsor directly if they have questions."

3. We are exploring electronic distribution therefore **every flyer must be sent to DJUSD in an electronic format and must be in both English and Spanish.** Flyers that fail to meet this criteria will not be approved for distribution. Flyers can be sent to customerservice@djUSD.net
