

## AP-Biology

Textbook: Biology in Focus, the standalone book

The cover has a picture of the yellow eye of an eagle. You will need to get the hardcover edition that can be bought on Amazon.com. or BiggerBook.com. Can rent for as low \$20.00. You do not need a new book unless you really want one. Caution: there are some web sites that sell this book for \$799.00. Do not pay this price.

Summer Reading: The Language of God, by Francis S. Collins. Can be obtained on iBooks, ISBN-10: 0-7432-9357-6. This is about 5 pages per day, average. We will discuss this book at length. The students will be required to do a term paper on this book during the first quarter.
