

Physics:

The book: Physics by Dr. Raymond Serway, Ph.D. and Dr. Jerry Faughn, Ph.D. Published by Houghton, Mifflin and Harcourt (HMF). The cover has a picture of a bursting soap bubble with multiple colors. This is an iBook and can be bought on Apple iBook, book store. The ISBN is 9780547586694.

Summer reading: For the Love of Physics, by Walter Lewin. ISBN 978-1-4391-0827-7, ISBN 978-1-4391-2354-6 (eBook). Available on line, www.SimonandSchuster.com, please read the Introduction and Chapters 1, 2 and 3. (About 2 pages per day during the summer.) We will read to rest of the book during the school year.

First day of class: you will need a composition book with graph paper (not college ruled). No other composition book will do. *Student will not be allowed to start class without a composition book.* This is true for every day of class.
