AP US History (11th Grade) students will know the following concepts/vocabulary prior to the beginning of the school year and be ready for an assessment on the concepts/vocabulary the first week of school. Much of this information will be review from jr high and elementary school, but it is important that you understand it going into this course. All concepts can be found easily in text books and/or utilizing internet sources. Should you have any questions or need further clarification, please feel free to email me at: jdavis@mercy-high.org or john.davis@sacredheartredbluffschool.org

- Students will know and be able identify all 7 continents and 5 oceans including the “Southern Ocean” on a map
- Students will know and be able to place all 50 US states on a map
- Students will know and be able to place the 13 Original Colonies on a map
- Students will know and be able to place the following on a map:
 - Mississippi River
 - Chesapeake Bay
 - The Great Lakes
 - The Appalachian Mountains
