Family Service Agreement – 2017-2018

Student(s) name and grade:

2) ____________________________________________ Grade ______
3) ____________________________________________ Grade ______

Parent/Guardian name: __________________________ Phone: ________________
E-mail address: __________________________________________________________

Parent participation is a key ingredient in the educational success of the student and of the school. Children take pride in their parent's service to the school. Parental participation is an essential example for children learning to serve their family, school and community. Each family is expected to commit themselves to volunteer time and participate in fundraising events in addition to paying their child's tuition.

Each family is required to complete ALL 30 service hours by February 1, 2018. Families that do not complete this requirement must pay a fee if not re-enrolling or higher registration fee if re-enrolling. If there are any hours owed, the fee is $300.00. If you have completed your 30 hours, there is no fee. For those parents who do not wish to participate in volunteering, the option of paying the amount of $450.00 is available.

Each family is also required to raise $400.00 through several qualifying school fundraising events by April 30, 2018 or pay the portion not raised by May 30, 2018. For those parents who do not wish to participate in fundraising, the option of paying the entire $400.00 is also available.

Extra curricular programs, such as sports and field trips, are not funded through the school budget. These programs are self-supporting through other fundraising events, such as the pizza and cookie dough sale. Participation through these events and programs such as Box Tops For Education do not count toward the $400 commitment.

During the school year there are numerous ways for parents to complete their service hours. Some examples are: classroom assistance, room parents, School Advisory Committee, Parent and Patron Club, event coordinators, athletics coach, referee, event coordinator, or snack bar sales, and baking. Further opportunities are listed in the school Newsline. When the following items are donated, parents may claim the hours noted.

Homemade Items
Brownies 1 hour per batch
Cookies 2 hours per 3 dozen
Desserts 2 hours per dessert

Items purchased for school events:
1 hour per $20 spent on goods

Parents are responsible for reporting their service hours. Completed forms can be placed in the drop box that is located in the school office.

___ I/We choose not to participate in fundraising and pay $400.00 now.

Dear Parent/Guardian:

The US congress passed the No Child Left Behind Act of 2001 (NCLB), which took effect January 8, 2002. Title I, Part A, of the NCLB provides supplemental educational services for eligible public and private school students. The purpose of the Act is to provide additional help for children so that they can acquire the knowledge and skills necessary to meet the challenging student performance standards that all children are expected to meet.

Please take the time to complete the enclosed Family Survey. This information is very important. It will help us continue our participation in Title I educational programs, such as reading and math programs that help our students. All you need to do is mark YES or NO after each question. Your answer will be strictly CONFIDENTIAL.

Please return your Family Survey with your registration packet. Remember that this information is CONFIDENTIAL. I will be the only one to read it, and will share only the data portion without names with the public school district liaison.

If you have any questions please call me at the school office at 489-1506.

Thank you for all that you do for our children and our school.

Sincerely,

Mrs. Ann Marie Faires
Principal
