Registration for new/returning families

All families are encouraged to return their registration packets and enrollment fees by May 29, 2020.

Financial Aid

Financial Aid awards will be offered on a first come first served basis. When the allotted funds for this are gone, we will no longer be able to award funds. So, please be sure to apply early. To be considered for financial aid, family must apply online at: https://online.factsmgt.com/signin/3CR0G. Financial contracts, tuition assistance online application and all supporting tax documents must be submitted to FACTS between February 1st and February 28th, 2020. This date is especially important, as funds will be available on a first come first serve basis.

Tuition Payments

Tuition payments will be paid through FACTS. All families will be required to sign up with FACTS for their payment plans for the 2019-20 school year. Those families who pay cash in the office will choose an “invoice” plan in FACTS, which will not require them to register a bank account. Families will not be charged a fee for use of FACTS. Families will sign up with FACTS and choose their payment plan once they have completed registration forms and paid registration fees. Tuition charges will be added to FACTS accounts following the choice of payment plans by our families. Please log on to: https://online.factsmgt.com/signin/3CR0G to set up an account for your 2020/21 tuition payments. (A 2.85% surcharge will be added for credit card payments through FACTS.)

Parent Service Hours / Fundraising

All parents are expected to complete 30 hours of service to our school community. $300 will be charge for non-completion. Each family is responsible to raise $400 through fundraising or pay the portion not raised. Please fill out the Family Service Agreement Form.

Returned Payment Fee

FACTS will charge a $30.00 fee for each returned check or ACH withdrawal. This amount will be paid directly to FACTS. The office will not accept payments for tuition by check, but checks can be mailed to FACTS to pay for tuition.

Financial Obligation

Failure to meet the financial obligation may prevent your child/children from attending school and/or participating in graduation ceremonies.

Notification for Withdrawal

We require a 14-day written notification for withdrawal. Families understand that they are obligated to pay any current and past due fees at the time of withdrawal notification.

Parent participation is a key ingredient in the educational success of the student and of the school. Children take pride in their parent’s service to the school. Parental participation is an essential example for children learning to serve their family, school and community. Each family is expected to commit themselves to volunteer time and participate in fundraising events in addition to paying their child’s tuition.

Each family is required to complete **ALL 30 service hours by February 26, 2021**. Families that do not complete this requirement must pay a fee if not re-enrolling or higher registration fee if re-enrolling. If there are any hours owed, the fee is $300.00. If you have completed your 30 hours, there is **no** fee. For those parents who do not wish to participate in volunteering, the option of paying the amount of $450.00 is available.

Each family is also required to raise **$400.00 through several qualifying school fundraising events by April 30, 2021 or pay the portion not raised by May 10, 2021**. For those parents who do not wish to participate in fundraising, the option of paying the entire $400.00 is also available.

Extra curricular programs, such as sports and field trips, are not funded through the school budget. These programs are self-supporting through other fundraising events, such as the pizza and cookie dough sale. Participation through these events and programs such as Box Tops For Education do not count toward the $400 commitment.

During the school year there are numerous ways for parents to complete their service hours. Some examples are: classroom assistance, room parents, School Advisory Committee, Parent and Patron Club, event coordinators, athletics coach, referee, event coordinator, or snack bar sales, and baking. Further opportunities are listed in the school Newsline. When the following items are donated, parents may claim the hours noted.

**Homemade Items**
- Brownies 1 hour per batch
- Cookies 2 hours per 3 dozen
- Desserts 2 hours per dessert

**Items purchased for school events:**
1 hour per $20 spent on goods

Parents are responsible for reporting their service hours. Completed forms can be placed in the drop box that is located in the school office.

___ I/We choose **not** to participate in fundraising and pay $400.00 now.

___ I/We choose **not** to do service hours and pay $450.00 now.

Dear Parent/Guardian:

Title I, Part A, of the Elementary and Secondary Education Act (reauthorized by the Every Student Succeeds Act) provides supplemental educational services for eligible public and private school students. The purpose of the Act is to provide additional help for children so that they can acquire the knowledge and skills necessary to meet the challenging student performance standards that all children are expected to meet.

Please take the time to complete the enclosed Family Income Survey. This information is very important. It will help us get started with participation in Title I educational programs such as reading and math programs that help our students. All you need to do is mark YES or NO after each question. Your answer will be strictly CONFIDENTIAL.

Please return your Family Income Survey with your registration packet. Remember that this information is CONFIDENTIAL. I will be the only one to read it and will share only the data portion without last names with the public school district liaison.

If you have any questions please call me at the school office at (916) 489-1506.

Thank you for all that you do for our children and our school.

Sincerely,

Mrs. Kerri Bray Smith
