Date: Thursday, October 4, 2018 6pm

Site: SJS Library

1. 6:03 pm start with St. John the Baptist prayer

2. Jog-A-thon results - Jessica Wilhelm

The 5th annual Jog-A-Thon was a great event! Thanks to all for raising money and volunteering to make it so successful!

- **\$32000 raised**, presented a huge fake check to Mr Brandt at Assembly
- **Overhead** was approx \$2K
- **Mia and Jessica** to chair it again next year
- **Prizes:**
 - Individual winners received a Tumbler and Amy's gift certificate
 - 6th Grade raised the most money
 - 7th Grade ran the most laps
 - These classes will have joint party on Tuesday October 9 to celebrate!
- **Father Sean** signed 32 thank you cards, Jessica hand delivered half of them the Monday after
- **Suggestion for next year** - after so many laps the student gets small prizes (color hair spray, bracelet, treat, etc) St Eugene's does this and could probably provide a list of levels for ideas

3. Student Council Update - Kim Arata

- **NEW school newspaper** - Student Council put it together, write it, Kim edits and copies it. Every 2 weeks. Comics - box in library for student comics entries
- **Red Ribbon Week** - see attached for schedule of add-ons

6. Other New Business & announcements

- **Parent Curriculum Meeting - Monday Oct 8th at 7pm** in the SJS Library. Craig Urasaki, leader of the President's Committee, will lead a town hall-style meeting to discuss curriculum plans and updates and this is a forum to have your voice heard.
- **Pastor/President/Parents Meeting - Tuesday Oct 9th at 7pm**. This is a general meeting with parents and school leadership. This is meant to be a regular town hall-style meeting every 2nd Tuesday of the month.
- **Suggestion for future PTG evening meetings** - child care arrangement to boost attendance, perhaps 2 high schoolers who are CPR certified, a couple of 8th graders who could get service hours, parents would need to sign up in advance and understand that the care only covers time in the meeting, not before/after
- **Suggestion: Moms night out** - would like to do a Moms get-together, possibly Christopher Creek or Simi. Additionally, perhaps Family night ice skating - 3 half days before thanksgiving break might be a good time to do that. Kim/Staci to follow up.

7. Principal Update - Mr Brandt

- **A Positive Start** - Had a great start to the year, lots of positive momentum to the year Lots of people stepping up to lead the school forward!
- **New uniform options** - Available now from Land's End: 2 rain jacket options, one is lined, the other is not, also a down vest. All will have the new tiger logo.
- **Musical** - Final stamp to come on a local director. Mr. Brandt is putting together a small committee of parents to decide on direction of musical, meet the director. The production will be the weekend of March 29th.
- **Clarification on Volunteer Clearances** - Volunteers must be fingerprinted and go through the online video training. No one can come on campus nor drive for field trips who hasn't been cleared/fingerprinted/trained. If there's ANY potential contact with children, you must have this clearance. A master list was given to all the teachers in order to double check. How long does your clearance last? Fingerprinting only has to occur once, if something happens since the original background check then a flag goes to the school. The Safe Environment Video Training is only repeated as the

materials are updated, which is every 3 years. The school office (i.e. Noele) will track this.
