Important Information Regarding Enrollment and this Handbook

SCOPE of this HANDBOOK

Enrollment at Our Lady of Miracles Catholic School is a privilege. Ongoing student status is subject to the school's academic and behavioral standards which may evolve and change over time. Decisions regarding academic matters (including but not limited to the issuance of grades), student discipline, and an individual's continuing status as a student at the school are within the discretion of the school administration. The purpose of this handbook is to set forth general guidelines that will assist students and their families in understanding what the school expects of them. The provisions of this handbook are subject to change at any time by the school administration. Questions about items contained in this handbook should be directed to the principal.

PARENT/STUDENT HANDBOOK AGREEMENT

Signing the Parent/Student Handbook Agreement Form is deemed an agreement on the part of the student and his/her parents/guardians to comply with all policies, rules, guidelines, and regulations of the school as outlined in the most current Parent/Student Handbook and in any subsequent updates or revisions of the handbook. Parents/guardians and students agree that Our Lady of Miracles Catholic School has the right as a private academic institution to make rules that require specific conduct on the part of the parents/guardians and students. Parents/guardians and students agree to comply with required conduct and to support the policies and procedures contained herein and intend to cooperate fully with Our Lady of Miracles Catholic School and its personnel as educational partners. Students may not attend class or participate in any school activities until the agreement is signed.

RIGHT TO AMEND

Our Lady of Miracles Catholic School reserves the right to amend or waive provisions of this handbook when deemed necessary by the principal. The contents of this handbook are subject to change at any time when this is determined to be necessary by the school administration. If changes are made to the handbook, parents/guardians and students will be notified in a timely manner. This handbook exists to foster the efficient operation of Our Lady of Miracles Catholic School. The school administration exercises flexibility to meet this objective and has the discretion to take actions other than those specified in this handbook. This handbook is not intended and should not be considered to create any additional rights for students or parents/guardians, including a right to continued enrollment at the school.

The contents of this handbook are to be accepted by the parents/guardians and students as an essential element of the contract between home and school. Violations of the spirit, intent, or letter of the policies, rules, and regulations found in the handbook will be considered just cause for administrative action. Under no circumstances may a parent/guardian excuse a student from observance of the policies, rules, and regulations of Our Lady of Miracles Catholic School *if the parent/guardian expects the student to remain in good standing with the school.*

GOOD STANDING and CONTINUED ENROLLMENT

Students are enrolled at Our Lady of Miracles Catholic School on the basis of an evaluation and acceptance that is ongoing. The school reserves the right to dismiss students at any time for violation of any policy in this handbook, whether on campus or off campus, unsatisfactory academic standing, or for other reasons that, in the judgment of the school administration, adversely affect the welfare of the individual student or other students, the school and its employees, the reputation of the school, or the school community.

To continue enrollment at the school, a student must be in “good standing.” A student considered to be in “good standing” is one who has not become subject to dismissal for academic reasons, one whose record of conduct is at least satisfactory, one whose family supports the school faculty and the policies and procedures outlined in this handbook, and one who has met all financial obligations to the school or made satisfactory arrangements for those obligations. Continued enrollment, then, is a privilege earned by cooperative personal conduct and fulfillment of academic requirements and financial obligations. ***The school reserves the right to refuse registration or re-registration.*** When the school judges that the parents/guardians do not support school policies, the school reserves the right to terminate the student’s enrollment.

CONDITION of ENROLLMENT for PARENTS/GUARDIANS

It is a condition of enrollment that the parents/guardians of a student shall also conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles, or procedures set forth in any Parent/Student Handbook and contract of the school.

These Christian principles further include, but are not limited to, the following:

1. Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the religious, academic, moral, and behavioral expectations of the school.
2. Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor-driven, disruptive, threatening, hostile, or divisive.
3. Parents/guardians and students may not send or post content on email, text messaging, or social media (e.g., Facebook, Instagram, Snapchat, Twitter, etc.) that is contrary to the mission and philosophy of the Roman Catholic Diocese of Fresno and Our Lady of Miracles Catholic School. This includes expressing displeasure with the school administration, or with a teacher, staff member, student, or any authority at Our Lady of Miracles Catholic School and/or parish in regards to a policy, homework, assignments, or any school-related program.
4. Parents are expected to work courteously and cooperatively with other parents of the school community. Difficulties in relationships must be addressed and resolved by the

parties themselves. If a difficulty impacts the environment of the school, the principal has the authority to intervene and work to determine an outcome.

5. These expectations for students and parents/guardians are expected on and off campus and include, but are not limited to, all school-sponsored programs and events (e.g. extended care, licensed childcare programs, athletics, field trips, etc.).
6. ***The school reserves the right to determine, in its discretion, which actions fall short of meeting the Christian principles of the school and the policies in this handbook.***
Depending on the severity and circumstances of the event, failure to follow the school's principles and policies will normally result in a verbal or written warning to the student and or parent/guardian. For serious violations of the school's principles and policies, the school's response may be to take disciplinary actions up to and including the requirement to withdraw from school (e.g., suspension of a student, suspension of parent/guardian's privilege to come on the campus grounds and/or participate in parish/school activities, volunteer work, etc., or permanently withdraw enrollment from the school).
7. The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate disciplinary action without a warning.

About Our Lady of Miracles Catholic School

MISSION STATEMENT

Diocesan School Mission Statement

In the Diocese of Fresno, the primary mission of Catholic School Education is to be an effective instrument of the Catholic Church in its ministry of teaching the Gospel message and assisting children to grow into fullness of life in Jesus.

Our Lady of Miracles Catholic School Mission Statement

Our mission is to provide a strong Catholic education that promotes academic excellence and spiritual growth which emphasize respect and compassion for all “so that our hidden selves may grow strong.”

The ministry of Catholic education at Our Lady of Miracles Catholic School, referred herein as OLMCS), is the fulfillment of the educational mission of the Catholic Church which has as its primary goal the continuous formation of the Christian person, and the world with a global perspective for a peaceful and sustainable future.

Our Lady of Miracles Catholic School is a unique environment in which students can experience the presence of the Holy Spirit. Its focus is on the individual person’s spiritual, moral, intellectual, social, cultural, and physical development. In this School, students and teachers and staff are drawn to proclaim the Gospel message, to unite in worship, to respond to the needs of the community through fellowship and social justice, and to serve all people through the sharing of their spiritual gifts and temporal goods.

Intellectually, students are challenged to work to the best of their abilities. In a world of diversity and absolutes, students need to be free to appreciate and understand the living organism called earth and the peoples and cultures that inhabit it, and to develop global perspectives by which to form their lives and consciences. Students are provided opportunities to develop basic academic and physical skills, pursue knowledge, and critically study and analyze the world in which they live.

The effective Catholic school must call its students to the conviction that people are more important than success; that love is more important than esteem; and that collaboration unites while competition divides. A successful Catholic school student is not necessarily one who is successful in every endeavor, but one who accepts Christian responsibility for fulfillment of personal potential and shares these gifts with others.

VISION STATEMENT

By virtue of our baptism, each of us is called by name to participate in the ministry of Christ who is priest, prophet, and king. In accord with that ministry, we are called as *priest* to share the presence of God with those around us, as *prophet* we speak the truth even in difficult times and call each other to fidelity to God’s ways, and as *king* we exemplify the servant leader who

generously and conscientiously looks after the welfare of those entrusted to us.

Because all human life is a precious gift from God, we must assure that all persons, especially the young and the vulnerable, are to be treated with dignity, respect, and offered an environment, which promotes safety.

A safe environment is one that provides for the protection of the physical, emotional, and spiritual health and well-being of each person. More than simply offering protection from danger, a safe environment within our context also reflects the reality that the Church sees itself as a sanctuary, that is, a “sacred space” where one finds protection, security, support, guidance, and the presence of God. Thus, the entire school community must live in a way that is consistent with that covenant by fostering environments that not only are safe, but also are healthy.

The Safe Environment Program of the Diocese of Fresno strives to empower parishes, schools, families, and individuals to create and foster safe and healthy environments for children and youth in all aspects of their lives. We strive to achieve this through preventive measures, as well as educational strategies. Prevention of abuse and neglect of our students is foundational to the Safe Environment Program and constitutes its initial focus. As the program develops, safe and healthy environment training also will include but not be limited to such strategies as education and training in effective parenting, conflict resolution, internet and computer safety, the prevention of harassment, bullying, or violence in any form, healthy and best practices for injury prevention, and attention to safety in the event of emergency or disaster.

Training, support, and resources will be directed to:

- All school personnel, including lay and religious employees, volunteers, priests and deacons, through implementing and participating in comprehensive safe environment programs.
- Students, by supporting them in their effort to navigate their way through the confusing and often harmful aspects of the world by developing the necessary knowledge, integrity, and self-mastery they need to live a mature and active faith.
- Parents, as the leaders of the “domestic church,” are called to provide the primary safe and formative environment for their children, by supporting the vocation of parenthood and the marital bond, so as to improve the nurturing and formation of their children, who are a gift and who call their parents together in love.
- Volunteers, who out of generosity and care, seek to better their own local environments for the safety and health of children and youth. Everything we do as a school community must reflect our commitment to respect life in all situations by providing a secure sacred space that safeguards and promotes human dignity, by fostering the

development of each individual, and by creating and maintaining a safe and healthy environment for all who come to us seeking an experience of the holy presence of God.

PHILOSOPHY STATEMENT

At Our Lady of Miracles Catholic School, an educational ministry of The Shrine of Our Lady of Miracles, believe that providing a rigorous and challenging curriculum in a Christ centered atmosphere will help each OLMCS student grow intellectually, spiritually, physically and emotionally. Understanding that parents are the primary educators of their children, we are committed to working with parents to ensure each student has the necessary foundation to become an effective spiritual leader and a globally responsible citizen. We believe that by instilling the Catholic values listed in the Student Learning Expectations, and by providing liturgical and Gospel-rich traditions, each OLMCS student will be empowered to make choices rooted in love.

Our Lady of Miracles Catholic School endorses the call of the Catholic Bishops of the United States to express its educational ministry through the objectives of personal spirituality, social justice, and a strong academic program in accord with the Curriculum Guide for Catholic Schools in the Diocese of Fresno.

1. We believe in the inherent dignity and intrinsic worth of each individual child from the moment of his/her existence until the moment they are called home to the Father. At no time in their lives are they more in need of our concern and supportive, loving guidance than during their early educational years.
2. We believe that only in an atmosphere of love and acceptance can each child grow and develop into their divinely ordained potential. It will be our aim to give these children, who are entrusted to our care the kind of love and education that takes no shortcuts when striving to provide all that is for the genuine good of each individual child.
3. We will make it our specific aim to pass on to the children all the treasures of our Roman Catholic Faith and heritage. For those children who are not of our Faith, we will endeavor to develop in them a strong sense of Christian morals and openness to the concept of loving Christian service.
4. With the parents who are the first teachers of their children, we will strive to send into the future young people with a solid, well-rounded educational background, strong morals, a genuine appreciation of the family structure, and—most of all—students who can preach the Word by bearing witness to it.

Just as the Bishop delegates school-related responsibilities to the Superintendent, the Superintendent delegates the administration of the school to the Principal with support from the OCE.

PRINCIPAL

The school principal is delegated by the Superintendent in a Diocesan Administered Parish School to serve as the educational leader of Our Lady of Miracles Catholic School, responsible for managing the policies, regulations, and procedures to ensure that all students are supervised in a safe, traditional, Catholic learning environment that meets the approved curricula and mission of Our Lady of Miracles Catholic School.

ADMINISTRATIVE TEAM

Two members of the faculty, in addition to the principal, make up the Administrative Team. The functions of the Administrative Team include assisting the principal in specific delegated functions and receiving suggestions from teachers and presenting them at regular administrative or faculty meetings.

OLMCS Preschool License #240402889

Philosophy

We, at Our Lady of Miracles Catholic School Pre-Kindergarten, believe that each child is a unique creation of God. We believe that children develop in their own time and at their own pace. Our developmentally appropriate curriculum is designed to provide experiences that focus on the growth of the whole child. We provide a balanced program of child-centered and teacher-directed activities that give our children an opportunity to enjoy the freedom and responsibility of choice. Through their play, they will explore a nurturing, loving, and Christ centered environment. Our program provides a solid foundation for our children's cognitive, social, emotional, physical, creative, and spiritual growth.

Behavior Policy

Jesus Christ modeled what it is to recognize self-worth and reverence of persons. His was a life of non-judgmental acceptance of people for who they were and where they were in life. He was the epitome of what it means to respect each person.

In like manner, it is with commitment and affirmation, that we model Christian values and provide an atmosphere where children can come to accept in their own lives the values of Jesus.

In this process, children come to recognize their own value and self-worth. They have opportunities to make age- appropriate choices and decisions. Children come to be responsible and accountable for the choices and decisions they make, are able (with guidance at times) to determine appropriate consequences for inappropriate behavior and are able to determine what amends to make to others when they have offended them.

Registration

The registration fee for Pre-Kindergarten is \$300, per family and is non-refundable. The registration fee is due at the time of application being submitted to the school office. The registration fee holds your child's spot in the Pre-K program. If registering after June 1st the registration fee increase to \$450 per family. This registration fee supports snack time and some consumable learning materials.

All students must be fully potty-trained to enter Pre-Kindergarten.

Lunch

If your child attends the full day session, they must bring their own lunch to school. Candy and soda are not allowed. Half day students are picked up before lunchtime.

Toys/Personal Play Items

It can be tempting for a child to want to bring their personal items, toys included, to school. We discourage and do not allow toys from home at school.

Fundraising

Fundraising is an important part of making tuition affordable for our families. Fundraising also off sets the need to charge parents a “Snack Fee” for the food items provided during your child’s day in Pre-Kindergarten. There will be a required fundraiser for Pre-Kindergarten families, to be decided by the Pre-K director in conjunction with Administration. Other fundraisers may be deemed optional.

Admission, Registration, and Financial Policies

PARTNERSHIP of SCHOOL and FAMILY

Our Lady of Miracles Catholic School works with the parents in the faith formation of their children and continues the value development begun in the home. The school, however, has a mission to be a Catholic school and to form students in the Catholic faith. All students must participate fully in Religion class and other faith-formation activities subject to the restrictions by the Church upon full participation in the Eucharist by non-Catholics.

Acceptance to Our Lady of Miracles Catholic School is a privilege, not a right. Parents have a right to apply to Our Lady of Miracles Catholic School for admission of their child (ren), but the privilege of attending the school is contingent upon the parents' acceptance of the school's program of formation and instruction and their willingness to accept responsibility for their portion of the cost of education.

Because the Church acknowledges parents as the primary educators of their children, the school believes that it has a responsibility to continue the child's faith formation. If the parents' public beliefs, values, and practices cause disruption of the school's educational climate, it becomes impossible for the school to support the parents in the faith formation of their children. In cases where parents engage in such conduct, continued enrollment of their children may be denied.

Acceptance into Our Lady of Miracles Catholic School is dependent upon the ability of the school to meet the educational needs of the child. The school may not have all the resources necessary to meet the educational, physical, psychological, and/or emotional needs of an individual child. While the school will make an effort to accommodate reasonable needs, if the

needs of the child exceed the resources of the school, the best interests of the child may be best served by placing the child in a different educational environment with appropriate resources for the child.

ADMISSION PRIORITIES

The order of priority for acceptance to Our Lady of Miracles Catholic School follows:

1. Continuing students in good standing at Our Lady of Miracles Catholic School who meet registration deadlines (students who do not meet registration deadlines may lose their priority standing).
2. Siblings of families attending Our Lady of Miracles Catholic School

PROBATIONARY ADMISSION

All students are admitted to Our Lady of Miracles Catholic School on a probationary basis. Probation covers conduct as well as grades and general participation. The school administration may terminate enrollment at any time.

AGE for ADMISSION

- A child may be admitted to Kindergarten who is 5 years of age on or before September 1st of the current year; applicants must be developmentally ready, which shall be determined through appropriate screening.
- A child may be admitted into the first grade who is 6 years of age on or before September 1st of the current school year.

DOCUMENTATION REQUIREMENTS

At the time of initial registration, the school will require parent(s) to provide the school with records that establish and verify the student's age, gender at birth, and vaccination history, and whether the student is Catholic and has received his or her Sacraments. As part of the registration, therefore, each school shall require the parent(s) to provide copies of the student's birth certificate, health records including an up-to-date immunization record, and Baptismal certificate (and Reconciliation, Holy Eucharist and Confirmation certificates, if applicable).

PHYSICAL EXAMINATION

Every new student must have a physical examination report on file in the school office by the first day of attendance. The report must be dated within 18 months of entrance. Students may not attend class until this information is on file.

The school will require all children to submit proof of having received a health assessment during the 18 months prior to entrance into first grade. The principal may grant permission to extend this to 90 days after entrance.

IMMUNIZATIONS

Immunizations can be a complicated topic which may be explained more fully by the child's physician. Every child must show up-to-date proof of required immunizations by the submission of a current California School Immunization Record (this can be provided by the physician).

The California Health and Safety Code sections 120325-120380 set forth current California law on this topic; a summary follows:

- Required immunizations for grades TK – 12 currently include the following: polio (OPV or IPV); diphtheria, tetanus, pertussis (DTP, DTaP, or DT); measles, mumps, rubella (MMR or MMR-V); hepatitis B (HepB or HBV); and varicella (chickenpox, VAR, MMR-V, or VZV).
- Students entering 7th grade are required to have Tdap (or DTP/DTaP given on or after the 7th birthday).
- The California Dept. of Public Health may require vaccination for "any other disease deemed appropriate."
- Public or private elementary schools are prohibited from admitting any child without documentation that the child has been immunized for the specified diseases, unless there is a documented medical exemption, based on attestation from the child's licensed physician that immunization is not safe, due to medical circumstance, such as family medical history.
- Regarding former exemptions for personal reasons, any student who, prior to January 1, 2016, had submitted a letter/affidavit of exemption on grounds of personal belief will be allowed to continue enrollment or be enrolled, without proof of immunization, but only until the child reaches the next "grade span." The statute specifies three grade spans: (1) birth to preschool; (2) kindergarten (including transitional kindergarten) through 6th grade; and (3) 7th through 12th grade.
- The school will be permitted to temporarily exclude a student who has not been immunized, if there is good cause to believe the child has been exposed to one of the itemized diseases, until the county or city health department is satisfied that the child is no longer at risk of developing or transmitting the disease.

Questions regarding immunizations should be directed to the principal. The following website provides thorough information: www.shotsforschool.org

PARENT CONTACT INFORMATION

It is essential that parent/guardian contact information be kept current at all times on the emergency card in the school office and in Beehively.

CONFIDENTIALITY

Members of the staff will not divulge information concerning any student to anyone who does not have a clear “need to know.” In disciplinary or academic situations, the only persons who meet this definition are appropriate members of the faculty/staff and the parent(s)/guardian(s) of the child(ren) involved.

OFFICE TELEPHONE USE

- Calls for students during school hours are to be for emergency only and are to be left with the school secretary.
- Students may use the telephone for emergency calls only. The following are not considered emergencies: forgotten gym clothes, homework, lunches, or social arrangements after school.

COMMUNICATION from the SCHOOL

- The Beehively portal is the school’s primary mode of communication. This login-protected site is for parents to have access to announcements, week-at-a-glance calendars for the school and each class, sign-ups, forms, RSVP’s, grades, and homework and progress reports. - List other publications and frequency...

CONTACTING TEACHERS

Parents must not interrupt a teacher during class time, which includes arrival and dismissal time. Instead, parents may make an appointment in person, leave a voice mail, or email the teacher directly. Messages will be answered within 48 hours. In the case of an urgent message, the office should be contacted. Parents and students should never call a teacher at home or on his or her cell phone.

E-MAIL USE

Email is a great means of communication which been embraced by schools as an effective way to communicate back and forth between parents and teachers. However, the impersonal face of email unfortunately makes it easy to say things in such a manner that one would not use during a face-to-face meeting or in a personal phone call. The following guidelines govern appropriate e-mail use:

- E-mail is an appropriate vehicle for quick, uncomplicated messages to teachers or administrators *when time and/or confidentiality are not critical factors.*
- E-mail is *not* an appropriate communication tool when a parent requires an immediate response or when the requested response would be highly sensitive and/or complex in nature.
- E-mail is an appropriate place to ask questions that require simple, direct answers.
- E-mail is *not* an appropriate communication for extensive chronologies, opinion statements, critiques, or judgments.
- *E-mail should not be used to avoid a difficult situation; the people involved should be spoken to directly.*
- E-mail messages lack the nuances of voice inflection or facial expressions that are part of personal conversations and are therefore open to misinterpretation.
- E-mail should *not* be used when the sender is upset.

DELIVERIES and FORGOTTEN ITEMS

- Any deliveries to students such as lunches, books, athletic equipment, or homework must be made in the office and not the classroom. Items should be clearly labeled with student first and last name and grade level.
- Birthday presents, balloons, and gifts, etc., are not to be sent to the school office for any student; such items will *not* be delivered to the classroom but may be picked up by a parent.

PROCESS for CONFLICT RESOLUTION

Disputes in schools are usually due to misunderstandings, differences in judgment, opposing interpretations of school policy, or perceived inequalities in the relationship between and among students, parents, teachers, and the principal. All parties involved in a dispute are expected to manifest good faith in their efforts to resolve disputes by maintaining an atmosphere of mutual respect, confidentiality, and Christian charity.

Every effort should be made between differing parties, through open and honest discussion at the onset, to resolve the dispute. In each case the parties need to meet to provide the opportunity to state the issue(s) clearly and begin work on solutions. The parties are empowered by their participation in the process to affect the outcome. In every case, the parties should attempt to

resolve their differences at the level at which the dispute has taken place. Appeals to higher authorities may not be considered until this attempt at resolution has been completed.

- If a conflict arises between a teacher and a student, a conference will be arranged with the teacher, student, and parent(s). The principal of the school must be informed prior to this contact. Every effort must be made to resolve the issue at this level.
- The next level of appeal is to involve a vice-principal or dean of students, if applicable. A conference will be held with the parties listed previously.
- The final appeal at the local level is to the principal. In parish schools the principal will consult with the pastor who may be invited to a conference with all parties if he or the family so desire. Every effort should be made at this level to be sure that all parties are able to present their cases.
- After consultation with the pastor, it is the responsibility of the principal to render the final decision.
- In the event irreconcilable differences remain, request to meet may be made to the OCE only when all steps above have been followed. The OCE will address the request according to its procedures in effect at that time, which will be provided to all those involved in the appeal.
- Local Advisory Boards and parent organizations are *NOT* part of this appeal process.
- Should it become obvious that a parent is unable or unwilling to support the philosophy and policies of the school and/or the implementation of its philosophy and policies, the principal will recommend/require that the parent transfer his child/children to another school.
- In any instance of a dispute between parents (such as over custody of children enrolled at the school), the school will make every effort to remain neutral, and the parents involved in the dispute must make every effort to resolve the dispute between themselves, and to keep it away from the school environment. Individual parents are prohibited from directing any requests to the school or staff members for information or assistance that is designed or calculated to give that parent an advantage in his or her dispute with the other parent.

Your support is essential to the success of our school and keeps our tuition affordable.

All volunteers on campus during school hours are expected to dress appropriately; clothing should be modest and neat.

ALL VOLUNTEERS MUST HAVE FINGERPRINT CLEARANCE AND SAFE ENVIRONMENT TRAINING.

Curriculum

Our Lady of Miracles Catholic School embraces the vision of a Catholic educational philosophy. Christian values and traditions of the Catholic faith are integrated into the curriculum and all teaching/learning situations, within and beyond the classroom.

Guidelines for the curriculum at Our Lady of Miracles Catholic School are developed and implemented in cooperation with the Office of Catholic Education of the Diocese of Fresno. The curriculum is carefully coordinated from Kindergarten through eighth grade. Teachers and school administration review and evaluate textbooks cyclically and sequentially according to specified curriculum areas to ensure that Diocesan standards are met. All subjects will remain aligned to the California State Standards and Diocesan Religion standards. Further specifics regarding the curriculum can be provided by the principal.

ESSENTIAL, CORE CURRICULUM

Our Lady of Miracles Catholic School provides complete academic instruction in essential core curricular subjects: English/language arts, reading/literature, religion, mathematics, science, history/social studies, physical education, and religion.

ENRICHMENT CURRICULUM

Students participate in programs of study in music, art, and computer technology as an enrichment of the academic curriculum.

The curriculum stresses academic achievement within a Christian community where the child feels that he/she is loved and respected by his/her peers as well as the teachers. Texts approved by the United States Catholic Conference of Bishops are used so that our theology is compliant with the bishops of the world. United with each other in meaningful liturgy and prayer, the students can further come to an understanding of the Christian life. At OLMCS, we are attempting to "teach as Jesus did."

Our Lady of Miracles Catholic School offers students opportunities for growth in the following major subjects:

Religion

OLMCS provides a religious education program containing Bible study, Catholic doctrine and tradition, Social Justice, as well as preparation for the reception of the Sacraments of Reconciliation and Eucharist.

Students attend the Tuesday morning parish Masses. During the Lenten season, the children participate in the Stations of the Cross. During the month of May, special devotions honoring the Blessed Mother are conducted. Liturgical services are held on the first Sunday of each month particularly for the school at 8:30 AM. An additional Sunday Mass is held and recognized as a family Mass for all families associated with Our Lady of Miracles Church and School.

Students in grades Kindergarten through eighth grade are taught from the Sophia Institute – Spirit of Truth textbooks. Pre-K students are taught from the Stories of God’s Love curriculum.

Family Life instruction is required at all grade levels by the Diocese of Fresno. Parents may request that their children be excused from instruction that involves explicit information. Parents will be notified and informed of unit content prior to unit instruction. Parents desiring this exclusion must notify the teacher in writing about the exemption.

Students in Grade 5 take the ACRE (Assessment of Catechesis of Religious Education) Test in April.

Students are required to be present at religion class and any activities of a religious nature taking place during school hours.

Computer Literacy

The school has Chromebooks which integrates curricular subjects. Keyboarding and Computer skills on grade level are taught to students in third through eighth grade.

Fine Arts

Music, visual arts, and performing arts are taught to all students in Pre-Kindergarten through eighth grade.

Students in fifth through eighth grades are taught social studies through the History Alive! Series. Students in fourth grade also complete a computer module on CA Native Peoples & Missions.

MODIFIED CURRICULUM and/or ACCOMMODATIONS for STUDENTS with DISABILITIES

- Students with identified learning disabilities may receive *reasonable* accommodations to assist with their academic success. Such accommodations may include added time to complete class work or homework, preferred classroom seating, minimizing distractions, etc. These accommodations will be discussed on an individual basis with the family, teacher(s), and principal.
- Students with identified learning disabilities who require that the curriculum be reasonably modified to meet their learning needs will have such modifications noted on grade reporting or transcripts with an “M”; however, such notification will not indicate the reason for the modification. A modified curriculum will be the result of collaboration with the family, teacher(s), and principal.

Families with students coming from a public school with an already-established IEP (Individualized Educational Program or Plan) or a 504 Plan are advised that such plans relate to public school; if a family wants the full implementation of an IEP (or full access as outlined in a 504 Plan) from the public system, they must enroll the student in public school. Catholic schools endeavor to work with the public school and the family to address whatever needs they can in terms of an IEP or 504 but are only required to implement *reasonable* accommodations.

STUDENT SUPPORT TEAM

A Student Support Team is used to identify student needs and develop a plan to address those needs to assist individual students. A Student Support Team consists of the classroom teacher, principal, parents, and the student, as appropriate. Intervention responsibilities are clarified for the school, parents, and the student.

RELIGION CLASSES, SACRAMENTAL PREPARATION, and WORSHIP

- Our Lady of Miracles Catholic School provides daily religious instruction (Catechesis) that educates children every year, at every grade level, in the four pillars of the Catechism of the Catholic Church: The Profession of Faith, The Celebration of the Christian

Mystery, Life in Christ, and Christian Prayer. This age-appropriate approach invites students to discover the meaning and presence of God's activity in their lives and to encounter and know the faith of our Catholic Christian community.

- Students in 2nd Grade prepare for, and receive, the sacraments of First Reconciliation and First Eucharist during the school year.
- All students who receive sacraments must be baptized and active, participating members of the Catholic faith.
- Each school day begins with prayer in the front of school. Opportunities for community and personal prayer are offered throughout the school day (e.g., Assembly, Lunch Blessings, Dismissal Prayers). Prayer services celebrating the church calendar are offered throughout the school year.
- Mass is celebrated as a school community every Tuesday; students are expected to be in official Mass Uniform.
- Opportunities for the sacrament of Reconciliation are offered to students at the beginning of each school year, during Advent, during Lent, and at the end of the school year.

LIBRARY

The Library Center serves as a resource for students and faculty. The Library will be open and accessible to faculty and students during the school day.

Kindergarten through eighth grade is regularly scheduled during the school day for time in the Library. Students are encouraged to use the library for curricular enrichment and pleasure reading. The following rules are to be observed:

1. Borrowed books are to be returned on time and in good condition.
2. A fine of one canned good, per day is required for overdue books with a maximum fine of ten cans. (Canned goods are donated to local food banks). Students who have lost or damaged books do not receive progress reports or report cards until their account is cleared.
3. Quiet, courteous and respectful behavior must be observed in the Library at all times.

PROPERTY

The parent of a child who carelessly destroys or damages any furniture, equipment, buildings, or anyone's personal property will be obligated to pay the full amount of repairs and labor or replacement. Textbooks rented by the student must have a proper book cover. No writing in rented textbooks is permitted. The student will pay a fine or replacement for damaged or lost texts before the final report card is presented.

Student Evaluation

PARENTS as PRIMARY EDUCATORS

As the primary educators of their children, parents are expected to make frequent use of Beehively to monitor student progress and to take the initiative to contact teachers should they develop a concern.

STANDARDIZED TESTING

The Catholic elementary schools in the Diocese of Fresno use a comprehensive, formative assessment program called STAR Renaissance. These assessments of Common Core standards are administered to grades K - 8 four or more times per year. They are criterion-referenced and indicate a student's mastery level of specific grade-level standards.

HOMEWORK

Homework is assigned for the purpose of applying and reinforcing concepts, skills, and values being learned in the classroom. Homework supports and enhances previously introduced material and is a valuable way of fostering good, independent study habits. Homework is an effective method for enrichment, as well as, extending the curriculum beyond school hours.

HOMEWORK TIME ALLOTMENT GUIDELINES

Actual homework time will vary by student; the amount of time provided to work on assignments during the school day, the instructional calendar, and individual use of time are factors impacting the amount of homework a student may have on a given day.

Homework should be assigned for a reason (see above) and be *reasonable*; if 10 problems will address the reason for the homework, a teacher should not assign 20 unless reasonable practice of a skill is the reason for the homework. Homework must NEVER be punitive and may NOT be assigned to an entire class because of behavior of a few or many.

Homework will be assigned on a regular basis Monday through Thursday. Written homework should not be assigned over the weekends and/or holidays with the exception of assignments not completed and/or special projects; a teacher should always provide time before and after a weekend or holiday so as not to impact unnecessarily student and family use of this recreational time. Homework time allotment *guidelines* per school day for Catholic schools within the Diocese of Fresno are as follows:

Grades 1 st and 2 nd	10-20 minutes
Grades 3 rd and 4 th	30-40 minutes
Grades 5 th and 6 th	50-60 minutes
Grades 7 th and 8 th	60-120 minutes

Actual homework time will vary by student, the amount of time to do homework during the school day, etc.

As a general reminder, homework is not going to make students more proficient in the any subject area. Homework should be used for practice and reinforcement purposes; students should have enough time at home to spend time with their family.

MISSED HOMEWORK DUE to ABSENCE

- Missed assignments are the student's responsibility.
- Students who are absent due to illness have one day for each class period absence to make-up the missed assignments, quizzes, or tests. For example, a student who was absent three days would be given three school days to complete the missed work.
- When a student is absent for three or more days due to illness, a parent may call the school office before 9:30 a.m. to arrange for the pick-up of homework assignments.
- Any absence that is not due to personal illness or injury, medical/dental appointment, funeral, or for religious observances/celebrations is considered unexcused. When parent(s) wish to take their child out of school for several days for personal reasons, they should discuss the student's progress with the teacher and principal who will advise them of the effect such an absence would have on the pupil's school work.
- The school is under no obligation to provide tutoring, makeup work, or special testing schedules for unexcused absences. The principal, in consultation with the teacher, has final and absolute discretion to determine the conditions and terms governing such absences.
- If a student must leave school prior to the last day of school, an incomplete grade may be given in any affected subject areas. All work necessary to clear the incomplete from the transcript must be completed during the summer in order for grades to be entered for the third trimester for the year. The principal has final and absolute discretion to determine the conditions and terms governing such absences.
- The school calendar provides for extended weekends and vacations throughout the school year. Parents are encouraged to schedule trips or family outings during these times to eliminate the need to interrupt a child's learning process.

GRADING

The following academic grading scale has been adopted by Our Lady of Miracles Catholic School for essential curricular subjects in accordance with the Report Card Standards determined by the Office of Catholic Education of the Diocese of Fresno:

	Knowledge: Scholarship	Skills: Initiative	Skills: Individual Improvement	Attitude: General	Attitude: Cooperation

F: 59 or below	Work of this quality may not be counted toward promotion	Work of this quality may not be counted toward promotion	Work of this quality may not be counted toward promotion	Work of this quality may not be counted toward promotion	Work of this quality may not be counted toward promotion

CONDUCT GRADE

Students are expected to be prepared for daily studies, to be diligent in their academic work, to be prompt in completing assignments, and to contribute to a positive learning environment within class. Each quarter, students' conduct in Grades K through 8 will also be evaluated.

PROGRESS REPORTS

At a minimum, progress reports will be sent home via email at the mid-term of each quarter for students in Grades K through 8.

It is the responsibility of the student and parent to inquire at progress report time as to the steps which should be taken to correct any deficiency. Families are reminded that the Progress Report is not a report card but rather an indication of progress to date in a specific area. Dates for progress reports to be sent home are indicated on the school calendar.

REPORT CARDS

Report cards are given in Grades K-8 at the close of each trimester of instruction. Report cards will be sent home via email for quarters 1-3. 4th Quarter report cards will be sent home via the oldest child or mail. Students who have been absent 10 or more days during a trimester may receive an incomplete in the subject areas affected.

PARENT-TEACHER CONFERENCES

Parent-Teacher conferences will be held for preschool – eighth grade at the end of the first trimester. There may be other times throughout the year that the parents or teacher deem a conference necessary. The student may be requested to be present at this conference. Parents are encouraged to take the initiative to keep themselves informed of their child's progress. Parents will be notified of their assigned conference time and are requested to notify the teacher as soon as possible if a change is needed.

ACADEMIC/BEHAVIORAL PROBATION

- If a student receives a grade below (C-) in academics, or if a student does not maintain a grade point average of (C) or higher on trimester report cards, she/he will be placed on academic probation.
- If a student receives unsatisfactory grades in either conduct or effort on trimester report cards, or consistently disrupts the learning environment of the classroom, she/he will be placed on behavioral probation.
- Students will remain on academic or behavioral probation until the next progress report or report card is issued. At that time, students who improve their academics or behavior to the appropriate standing will be removed from probation. If not, they will remain on probation and may be asked to acquire special remedial assistance. If a student does not remediate her/his academics or behavior after two grading periods, the school administration will reconsider her/his continued enrollment or re-enrollment.
- Students on academic or behavioral probation are ineligible for extra-curricular activities. Final end-of-year grading from the previous school year determines a student's initial eligibility status.

PROMOTION

- Elementary school students satisfactorily completing a grade's work and who are correspondingly mature shall be promoted to the next grade.
- Advancement on the high school level shall be determined by the successful completion of course work and acquiring the prescribed number of units.

RETENTION

If in the teacher's judgment retention is probable, arrangements for a conference with the teacher, parents, and the principal will be made as soon as possible.

ACCELERATION

Acceleration of the student may be cautiously granted on the recommendation of the teacher, at the discretion of the principal, and with the approval of the parent(s). The child's social and emotional maturity must be seriously evaluated whenever acceleration is considered.

ACADEMIC AWARDS(K-8)

OLMCS Principal's Honor Roll is based on the following criteria. To qualify, a student must have an A average (90) in all major subjects, i.e., math, religion, science, social studies, and health, and an A in conduct. P.E., art, music, and handwriting must be satisfactory in the opinion of the respective teachers.

Those with an A (90-100) or B (80-90) in all the above-mentioned subjects, and has an A or B in conduct, will qualify for the Academic Honor Roll. P.E., art, music, and handwriting must be satisfactory in the opinion of the respective teachers.

EIGHTH GRADE PROMOTION/GRADUATION

Graduation from the 8th grade requires the following:

- Achievement of a passing grade in all subject areas
- Completion and submission of all required assignments
- Completion of the SLE Portfolio
- Return all school property in good condition
- Return of athletic uniforms (if any)
- Payment of all financial obligations to the school, including fines, by May 15th

Eighth Grade graduation marks an important transition from elementary and middle school to high school, but it should be remembered that this promotion should not eclipse graduation from high school.

School graduation celebrations (activities and ceremonies) are a privilege reserved for eighth grade students in good standing. Students on either academic or disciplinary probation may not be allowed to participate in celebrations. Students who pose a disruptive influence will not be allowed to participate in the commencement exercises.

Appearance and Student Uniform Requirements

INTRODUCTION

Student dress, grooming, and personal cleanliness impact the image of Our Lady of Miracles Catholic School. It is a part of school tradition to wear uniforms to avoid class distinction and over-interest in fads. Besides representing school families, the clean, up-to-code uniform draws students' attention to community responsibility. A neat, clean, and tasteful appearance with well-groomed hair creates an atmosphere of confidence, respect, and learning. Moreover, it is an opportunity to uphold, reflect, and respect the dignity of the human person. In adhering to the Our Lady of Miracles Catholic School uniform and dress code, students practice the virtues of humility, modesty, obedience, and respect.

It is the joint responsibility of parents and students to see that the uniform and dress code of the school is carried out daily; it is the responsibility of the teacher and staff to monitor and report non-compliance. Every student is expected to be in proper uniform every school day unless otherwise authorized. The uniform should be neat, clean, and in good repair. Violations of any uniform, dress code, and appearance requirements are subject to school disciplinary sanctions.

The school cannot anticipate every fashion trend that may develop and therefore reserves the right to make judgments regarding the application of these general guidelines to specific items at any time.

Health and Safety

IMMUNIZATIONS AND STUDENT MEDICAL EXAMINATIONS

Referenced in the ADMISSIONS section

EMERGENCY FORM

Each child must have a completed emergency form on file in the school office. These forms must be kept up to date. Any change in address or phone number must be reported to the office to ensure timely contact should a student become ill or hurt; these contacts must be immediately updated on Beehively.

SCHOOL INSURANCE COVERAGE

All Our Lady of Miracles Catholic School students are covered by insurance for injuries incurred on the school grounds, during school-supervised activities, and to and from school and school-supervised activities. The registration fee includes coverage by the Myers-Stevens and Toohey Company for all students. In the event of an injury, parents may obtain a claim form from the school office. The injury must be brought to the attention of the office the day the incident occurs. This coverage is secondary to family primary insurance coverage. Insurance information is sent home the first week of school to familiarize parents with the coverage.

ILLNESS and NOTIFICATION

- Parents should notify school office personnel on the first day of a child's illness.
- Parents should notify the school immediately if they receive a diagnosis that their child has a communicable disease.
- Students who are obviously sick or feverish may not attend school; a child must be fever-free for 24 hours before returning to school.
- A handwritten absence note from the student's parent or guardian is required upon the child's return to school.
- An absence of three or more days requires a doctor's note upon the child's return to school.

MEDICATIONS

- The school does not provide medications of any kind.
- Students are prohibited from having any medications, prescribed or over the counter, on their persons on school grounds, and all such medications must be kept in the school office. If a student's condition potentially requires epi-pens for severe allergic reaction or inhalers, the school will develop a plan with the parent and physician for the maintenance and potential use of those medications.
- Prescribed or over-the-counter medications must be brought to the school office by the parent in the original container.

- Only in RARE instances will the school permit a student to take medication at school. The parent is urged, with the help of the family health care provider, to work out a schedule of taking medication outside of school hours. The only exceptions involve special or serious problems where it is deemed necessary to take the medication during school hours.
- If it is essential that medications be administered at school, these medications must be administered from the school office only.
- NO member of the faculty or staff in the school office is permitted to administer any medication without the following:
 1. A signed written statement from the parent or guardian of the child
 2. A written statement from the physician detailing the method, amount, and schedule by which the child will come at the designated time with specific instructions included for emergency treatment if an allergic reaction should occur.
 3. All medication must be kept in its original container which must be clearly identified with a prescription label with the child's name, drug identity, dosage instructions, physician's name, and prescription date (for over-the counter medications, the original commercial container will suffice); the prescription must be current (and over-the-counter medications within the expiration limits).
 4. Medical treatment is the responsibility of the parent and the family health care provider. While office personnel will make every attempt to administer medications as requested, the school will not be held responsible for missed doses or mis-administration of any kind.

MEDICATION FORMS

The school office can provide the appropriate medication forms that cover the above requirements. These forms must be updated annually. A new form **MUST** be completed by the physician and parent each school year if the need continues.

ILLNESS at SCHOOL, INJURY, and FIRST AID

Should a student become ill or injured, the school will make every effort to contact the parent(s) of the student for information and instructions. However, the school may contact emergency agencies (911) first depending on the nature of the situation. This action does not obligate the principal or the school to assume financial responsibility for the treatment of the student.

- All injuries to the head, no matter how small, must be made known to the parent as soon as possible.
- Students who become ill or injured at school may not leave the school on their own; parents (or other designated adult on the emergency form) are required to pick up an ill or injured student as soon as possible after being notified.

- In the case of an injury at school, school staff will render first aid, with or without parental consent, using a reasonable and ordinary standard of care.
- If a student is stabilized, school staff will await instructions from parents or emergency staff regarding further action.

STUDENTS with SEVERE ALLERGIES

Families with students who have identified severe allergies should work with the school as follows:

- Provide written notification (health record) to the school of an at-risk student's allergies that pose a serious threat to the student.
- Confer with qualified school representatives to develop a plan that *reasonably* accommodates the at-risk student's needs throughout the school campus and facilities.
- Provide the school with written medical documentation, instructions, and medications as directed by a physician or health care professional.
- Include a photograph of the student on the written form.
- Provide properly labeled medications and replacement medications, as required after use or upon expiration.
- Review policies/procedures with the school representatives, the child's physician, and the student (if age-appropriate) after a reaction has occurred.
- Provide and update current emergency contact information.
- Educate the child in the self-management of his/her allergy including the following:
 - safe and unsafe foods and exposures
 - strategies for avoiding exposure to unsafe foods or other items such as sharing foods with others or consuming food or drink where ingredients are unknown
 - symptoms of allergic reactions
 - how and when to tell an adult he/she may be having an allergy-related problem
 - how to read food labels (if age-appropriate)

HEAD LICE

Head lice (or pediculosis) is a common occurrence in elementary and middle schools. When it is identified, procedures that follow must be taken. The school understands that pediculosis may not be an indication of neglect or lack of cleanliness, and where possible, confidentiality will be observed.

- When a student has been identified as having nits and/or lice, the school will contact the parents/guardians to pick up their child for immediate treatment.
- The siblings of the infected student will also be screened.
- The classmates of a student identified as having nits and/or lice may also be screened.
- The student and family will receive information about pediculosis and instructions on treating their child and their home to remove all nits and/or lice.
- Upon return to school, the student will need to be screened at the school office by a school employee for nits and/or lice before being allowed to return to the classroom.

MANDATED REPORTING

Our Lady of Miracles Catholic School is legally required to comply with the *Child Abuse and Neglect Reporting Act*. Those employees of the school who are designated “mandated reporters” by law are responsible to report suspected occurrences of child abuse or neglect to the proper authorities (Child Protective Services, police department, sheriff department, etc.). Although such reports are typically confidential, if a parent/guardian discovers the identity of a school employee who made a report of child abuse, the parent/guardian may not retaliate against the employee in any way for making the report.

STUDENT THREATS OF HARM TO SELF OR OTHERS

Our Lady of Miracles Catholic School will treat student threats to inflict harm to self, to others, or to destroy property, very seriously. Practical jokes or offhand comments of a threatening nature will be considered serious and will be investigated. Threats that are substantiated may result in disciplinary actions, up to and including dismissal.

- Anyone hearing or becoming aware of any threat is to report it directly to the principal or his/her designee.
- Threats of harm to self will be treated differently than threats of harm to others.
- The student making the threat will be removed to the office and kept under adult supervision at all times; the student may be suspended pending an investigation.
- All threats will be reviewed and investigated in a prompt and thorough manner, and the investigation will be kept confidential to the extent practicable.
- If the threat is judged credible and serious, the principal will notify the following groups/individuals of the threat: parents, pastor, potential victims and their parents, the Office of Catholic Education, and the police or health care professionals as appropriate.

- The student will not be allowed to return to school until the investigation has been completed and final disciplinary or therapeutic action, if any, has been determined.
- If the principal, after investigation and consultation, determines there is sufficient evidence of a risk of harm by a student, to others, and/or to property, the principal will continue the student's suspension and not consider the readmission of the student to the school until appropriate counseling which is acceptable to the school occurs; the guidelines for this procedure will be handled on an individual basis.
- In some cases, the nature and credibility of the threat is such that the principal may request withdrawal of the student, or expel the student, without possibility of returning to the school.

SEVERE ILLNESS OUTBREAK

If the school administration should decide that illness among students and/or staff is severe enough to make the running of the school either unsafe or infeasible, school will be closed until safety and feasibility can be reasonably restored. Interim steps prior to the closing of school may include any of the following measures:

- Custodians will disinfect surfaces and door handles.
- Preschools may act independently from schools.
- Instructional Assistants may act as substitute teachers.
- Classes not part of the core curriculum may be cancelled, and teachers of special classes may act as substitute teachers.
- School administration, office staff, and extension staff may act as substitute teachers.
- Classes may be combined.

Concussion Policy

CONCUSSION DEFINITION

A concussion is a complex injury that causes a disturbance in brain function. It usually starts with a blow to the head, face, or neck, and is often associated with temporarily losing consciousness. However, it is important to understand that a blackout is only one possible symptom. When an athlete suffers a concussion, the brain suddenly shifts or shakes inside the skull and can knock against the skull's bony surface. If left untreated, a concussion can lead to a slow brain bleed.

SYMPTOMS

The signs and symptoms of a concussion can be subtle and may not show up immediately. Symptoms can last for days, weeks, or even longer. Common symptoms after a concussive traumatic brain injury are headache, loss of memory (amnesia), and confusion. The amnesia usually involves forgetting the event that caused the concussion. Signs and symptoms of a concussion may include:

- Headache or a feeling of pressure in the head
- Temporary loss of consciousness
- Confusion or feeling as if in a fog
- Amnesia surrounding the traumatic event
- Dizziness or "seeing stars"
- Ringing in the ears
- Nausea
- Vomiting
- Slurred speech
- Delayed response to questions
- Appearing dazed
- Fatigue
- Loss of consciousness
- Seizure or convulsions

The injured person may have some symptoms of concussions immediately. Others may be delayed for hours or days after injury:

- Concentration and memory complaints
- Irritability and other personality changes
- Sensitivity to light and noise
- Sleep disturbances
- Psychological adjustment problems and depression
- Disorders of taste and smell

Symptoms in younger children:

- Appearing dazed
- Listlessness and tiring easily
- Irritability and crankiness
- Loss of balance and unsteady walking
- Crying excessively
- Change in eating or sleeping patterns
- Lack of interest in favorite toys or hobbies

With a loss of consciousness, emergency medical services are needed. However, the non-blackout symptoms listed above must not be ignored. Unfortunately, a pervasive mindset in some sports is that getting “dinged” is part of the game and the athlete needs to tough it out. This thinking is dangerous because it exposes the child to further injury when his or her brain needs a rest and prevents him or her from obtaining a proper medical assessment as soon as possible.

FOLLOWING INJURY

The following steps must be followed (by the athlete, parents, teammates, and coaches) whenever an athlete has experienced a bump or blow to the head or body and evidences any of the symptoms or signs of a concussion:

1. Remove the athlete from play immediately.
2. Call 911 and/or administer first aid as appropriate.
3. Inform the athlete's parents or guardians about the possible concussion and provide them with the CDC fact sheet on concussion.
4. Ensure that the athlete is evaluated by a health care professional.**
5. Keep the athlete out of play and practice the day of the injury and until a health care professional, experienced in evaluating for concussion, states in writing that the athlete can safely return. The arrangements and cost of the health care provider are the responsibility of the parent.
6. Athlete should limit all forms of physical activity.
7. Athlete should minimize the use of all electronics (including cell phones, computers, TV, etc.) and be in a quiet atmosphere as much as possible. Social interaction, sporting events, concerts, etc., can all have a negative impact on recovery.

**"Health care professional" means a physician of medicine, physician of osteopathic medicine, licensed nurse practitioner, licensed physician assistant, or licensed physician of psychology; any of these medical professionals MUST have had training in neuropsychology or concussion evaluation and management.

RETURN to SPORT

Players with even the MILDEST concussion symptoms should NOT return to a game or practice. They should be assessed by a physician immediately. If symptoms do not appear until several hours after the game, the child should still seek medical assessment. **UNDER NO CIRCUMSTANCES CAN AN ATHLETE RETURN TO PRACTICE OR GAME WITHOUT CLEARANCE FROM A MEDICAL PROFESSIONAL.**

Anyone who has suffered a concussion needs to rest the brain until all the symptoms are gone. This means the athlete should be able to read, do math, and think at his or her usual pace with no headaches, fatigue, or other symptoms. This can mean a few days resting at home, not doing schoolwork, and refraining from any exercise.

There is no timetable chart to follow; each athlete needs a treatment program tailored to his or her symptoms and circumstances. Younger children seem to take longer to recover than adults, and it is not unusual for children to be out of sports for a month after suffering a concussion. If a player suffers one concussion, he or she is more likely to sustain future concussions. Researchers believe the younger the child, the more vulnerable the brain may be to these repeat concussions.

SECOND IMPACT SYNDROME

If someone with a concussion too hastily returns to contact sports or activities, a second concussion can result in Second Impact Syndrome — a potentially fatal condition. Second Impact Syndrome is when another blow to the head (even a minor one) results in the brain losing its ability to control its own blood flow, which increases pressure in the head and can lead to death, usually within 2 – 5 minutes. Second Impact Syndrome most often affects young athletes (in junior and senior high school), but any athlete who returns to a sport too soon is at risk.

RETURN to SCHOOL

Following concussion, NO student may return to school until cleared to do so by the physician. Because the needs for recovery from concussion are dependent on many factors, parents should work with the school and physician regarding a plan for returning to school and full academic work. Students recovering from concussion may not attend field trips, dances, etc., until they have been fully cleared by the physician. Reasonable accommodations regarding gradual re-entry to class and full academic activities may include the following:

- Extra time to complete classwork, homework, and tests
- Reduction of workload
- Postponement of high-stakes testing, large projects, and standardized testing
- Provision of hard copies to limit iPad use or online access
- Wearing of sunglasses for sensitivity to light
- Supervised breaks during the day
- Modified/shortened school day

- Incomplete grades (rather than zeroes) until recovery takes place

In extreme cases, a student may need to be placed on home study.

Emergency Procedures

EMERGENCY CARE PLAN

The school's emergency care plan follows clear and practiced safety procedures in the event of fire, earthquake, lockdown, active shooter, bomb threats, and other emergencies.

- In the event of an actual school-wide emergency, the automated Beehively system will provide parents/guardians rapid notification by text message and/or email.
- Parents should not call the school directly but wait for notification; school lines need to be used for calling out only.
- Parents should not block access to the school—access needs to be available for emergency vehicles.
- Should it ever become necessary to evacuate and relocate off campus, Our Lady of Miracles Catholic School has arranged a safe haven at Sherwood Park
- All students will be accounted and cared for by school staff and necessary emergency steps will be taken. Parents will be notified as soon as possible through Beehively emergency features and/or school emergency phone contacts.
- No student will be released until all Our Lady of Miracles Catholic School students are accounted for. No student will be allowed to leave school care unless an appropriate, competent adult comes to sign a release.

EMERGENCY DRILLS and EVENTS

- FIRE
Fire drills take place regularly. The school will follow instructions of the Fire Department.
- EARTHQUAKE
An earthquake drill will take place periodically after fire drills once the students return to class. In the event of an actual earthquake, school staff will remain on site until parents can be notified, all students are accounted for, and all students have been released to appropriate adults. Parents should be aware that routes to school may be blocked or impassable.
- LOCKDOWN/ACTIVE SHOOTER
Lockdown drills will take place periodically. In event of an actual lockdown, law enforcement will be involved as soon as possible (or may call for the lockdown). The school will notify parents via Beehively as soon as possible. However, the safety of students is the primary importance; this may mean that the school needs to be made secure before parents can be contacted.
- BOMB THREAT
Law enforcement will be notified, and the school will follow their instructions. Parents will be notified when the school is instructed to do so.

- FLOOD

The school will follow emergency agency instructions. Students may be evacuated if called for. Parents should await notification via Beehively.

- For any other emergencies, the steps of the Emergency Care Plan above will be followed.

Student Discipline

GENERAL POLICY

The values of Catholic education are the foundation for all interactions and relationships at Our Lady of Miracles Catholic School. At all times, a student is considered a member of the Our Lady of Miracles Catholic School student body. This is an honor and privilege and therefore, students must be conscious of their actions at all times, whether on or off campus, including but not limited to, games, dances, rallies, assemblies, service projects, field trips, and other gatherings. It is expected that students will demonstrate courtesy and respect at all times. Any behavior or attitude that stands in opposition to Catholic Christian values, on or off campus, toward anyone in the community, will be viewed as a serious violation of the school's code of conduct. Our Lady of Miracles Catholic School reserves the right to review and consider instances of student conduct and actions, regardless of when or where such conduct or actions occur, if they express or show an incompatibility with the mission and philosophy of the school; such actions may result in a student being barred from participation in school activities and may subject a student to the full range of disciplinary sanctions up to and including termination of enrollment.

EXPECTATIONS

Students at Our Lady of Miracles Catholic School are expected to conduct themselves according to principles of Catholic Christian behavior:

- To be honest in all dealings with fellow students, teachers, and school personnel.
- To cooperate positively with fellow students, teachers, and school personnel.
- To always respect the person and the rights of all.
- To obtain permission from the proper authority for the use of any of the school facilities or materials (other than those typically used under staff supervision).
- To be courteous, attentive, and respectful when fellow students, teachers, administrators, visitors, or performers address individual classes or the assembled student body.
- To be responsible for the care of all materials loaned to the student for the course of studies during the year; and
- To respect parish and school property always.

ACADEMIC INTEGRITY

Personal academic integrity is essential for building community and promoting social justice. To cheat is to act dishonestly or in violation of established rules, procedures, or codes of conduct. In an academic environment, there are three principle forms of cheating:

- Violating the procedures of a test, including, but not limited to, copying answers, accessing test keys, using a copy of a previous test, using notes or materials not allowed, or altering answers on a corrected test which has been returned.
- Plagiarizing, which pertains to the rights of intellectual property; plagiarism is the appropriation of another's ideas and/or language, in part or whole, without necessary assignment or credit. Plagiarism includes copying homework/labs, and quoting, paraphrasing, or summarizing another's written work including sources off the internet or oral statements without proper citation.
- Knowingly enabling another student to cheat.

Sanctions for cheating are the discretion of the teacher (and, if necessary, the principal) and may include receiving a zero on the exam or work in question, loss of privilege, or suspension.

VANDALISM

Students and their parent(s) are liable for all damage to equipment or school property caused by the student and appropriate disciplinary actions will be taken.

In guiding the student's growth in Christian attitudes, values, and behavior, it is well to emphasize the positive rather than the negative. The essence of Christian discipline is self-discipline. To teach and support this goal, the Honorable Character system is encouraged and taught at Our Lady of Miracles Catholic School.

The student should be helped to see the consequences of various behaviors and to realize that choosing certain ones means accepting the responsibility for the consequences of these behaviors. The student is directed to choose one form of behavior over another and to take upon himself/herself the consequences of that chosen behavior. The consequences should always be logical and appropriate to the behavior.

The classroom teacher, as the person who has the greatest contact with the student each day, will have the primary role in regular discipline of the child. If a student makes poor choices during the day, the teacher will attempt to re-direct the student's behavior and may notify the parent or guardian of the behavior by phone or by written note that must be signed and returned to the teacher. It is expected that the parent/guardian will assess an appropriate consequence at home. In addition, the teacher may choose to remove privileges at school such as recess or other activities.

If a behavior does not change with the cooperation of parent and teacher, the principal will become involved. In situations such as fighting, classroom outbursts, or other offences, the principal may be notified immediately. When the principal becomes involved in any disciplinary situation, the following guidelines will be followed:

- The **first** time to the principal's office the child will be **counseled** about the infraction.
- The **second** time the student goes to the principal's office for any offense the student will receive appropriate consequences (loss of privileges) and will be sent home at the end of the day with a **notice** that must be signed and returned to the principal's office within two school days.
- The **third** time a student goes to the principal's office for any offense the principal will contact the parent/guardian on the **phone** at that time if possible. The principal will explain to the parent what the child has done. It is expected that the parent enforce consequences at home in addition to the loss of privileges at school.
- If a child is sent to the office for a **fourth** time for any offense, the principal will immediately call the parent/guardian. The child will have **one day of in-school suspension**.
- If the child is sent to the office for the **fifth** time for any offence, the principal will call the parent/guardian and the child will have **three days of in-school suspension**.
- If the child is sent to the office for the **sixth** time for any offence, the principal will call the parent/guardian and the child will have **one day of out-of-school suspension**.
- If the child is sent to the office for the **seventh** time for any offence, the principal will call the parent/guardian and the child will have **three days of out-of-school suspension**.
- After seven office referrals the principal and pastor will meet to determine if that child will be expelled. In case of expulsion, the superintendent will immediately be informed.

The above procedures are a general guideline. Infractions such as fighting, stealing, and other major offenses may necessitate the principal to suspend or expel a student without prior offenses. In such case, the principal will consult with the pastor and/or superintendent.

The expulsion of a student is such a serious penalty that it is invoked rarely, and then only as a last result. The principal, pastor, and/or superintendent reserve the right to determine the appropriateness of an action if any doubt arises.

Consistent behavioral issues may require a behavior plan to be agreed upon between the parents and administration. Parents must fully support the behavior plan for the child to demonstrate progress.

RIGHT to SEARCH

While students generally possess the right of privacy of person and personal effects, that right must be balanced against the school's responsibility to protect the health, safety, and welfare of the whole school community. Because school officials have a legitimate interest in personal safety and protection of all students within their care and custody, the school administration

reserves the right to conduct searches when there is reasonable suspicion that the search will reveal evidence that the student is violating the law or school policies. School officials do not need a warrant or permission from a parent or guardian to conduct such a search.

School officials therefore reserve the right and responsibility to conduct, and a student must submit to, a search of his/her person, automobile, clothes, bags, cell phone, and electronic equipment when reasonable suspicion exists. A search of a student's person would occur only with appropriate supervision by a faculty or administration member of the same sex, and the school will notify the parents/guardians of the fact that the search was conducted. The school also reserves the right to search any area of campus and school property including all lockers and school computers and all electronic devices. Refusal to comply with a search process will be grounds for disciplinary action, which may include expulsion.

INTERVIEWS by OFFICIALS

- Law enforcement officers have the right during the school day to interview students who are suspects or witnesses. Child Protective Services representatives may conduct interviews to investigate reported child abuse or neglect.
- Before releasing a student for an interview, the school employee in charge must confirm that the person seeking the interview is properly authorized and presents appropriate identification as well as confirm that the interview is being conducted as part of the interviewer's professional duties.
- The school employee in charge will inform the parents/guardians that such an interview will take place, except when law enforcement or the agency has a specific reason not to inform the parents/guardians. In all events, an adult, either a parent/guardian or a school staff member, will be present for any interview unless the student being interviewed elects otherwise.

DISCIPLINARY ACTIONS and SANCTIONS

The principal and other school personnel may interview students at any time for the purpose of investigation. Parents may not attend such investigations unless they are invited to do so by the principal. The following sanctions may be imposed upon students in the sole discretion of the school in any order:

- Parent and student conference
- Denial of specified privileges
- Detention: Students are assigned to after-school detention by a member of the faculty or school administration. Detentions are served after school on the day assigned or the day after only. During detention, a student may be assigned work to do around the campus. Detention takes precedence over any co-curricular or extracurricular activity. Written notification of all detentions will be given to the student. Failure to serve detention will result in additional disciplinary action.
- Probation: The principal may place a student on behavioral probation; the student and parent will be notified in writing of the reason for probation, resulting consequences and/or restrictions, the period of the probation, and how the probation may be ended.
- Suspension (see below)
- Withdrawal: Parents may be given the option to voluntarily withdraw their child rather than face expulsion.
- Expulsion (see below)

SUSPENSION

Suspension is a disciplinary action to be used at the sole discretion of the principal. Suspension is not intended to be corrective in and of itself; instead, suspension sends the message that the offending behavior does not belong at school. A student may be placed on suspension for serious misconduct or continuing misconduct on or off campus. Suspension is typically served off campus but may be served on campus at the discretion of the principal. Suspension ordinarily should not exceed five consecutive school days. However, a student may be suspended from campus longer than this in certain circumstances which may include, but are not limited to, the following: awaiting results of a pending investigation, awaiting documentation of professional evaluation, or when isolation is deemed to be in the best interest of the suspended student or the community. Parents will be notified immediately and are expected to pick up the student as soon as possible; parents will remain involved in the process through verbal or written communication or conferencing. Suspension does not carry an academic penalty, and the student should keep up with classwork and homework.

Since the grounds for suspension ordinarily differ in degree from the grounds for expulsion, parents and students will be informed that continued or repeated misconduct may result in a recommended withdrawal or expulsion.

REASONS for IMMEDIATE SUSPENSION

At the discretion of the principal, the following offenses committed by students are potential reasons for immediate suspension which may also lead to expulsion. This list shall not be considered as exhaustive:

1. Serious disobedience, insubordination, or disrespect for authority including, but not limited to, the following:
 - refusal to obey school rules
 - refusal to follow directions
 - refusal to answer when spoken to directly
 - giving sharp, rude answers in a disrespectful tone of voice
 - causing interruption in classroom procedures
 - cheating, plagiarism, or dishonesty of any kind
2. Language or behavior which is immoral, profane, vulgar, or obscene on or off campus
3. Use, sale, distribution, or possession of drugs, alcohol, or any other legally controlled substance or drug or vaping paraphernalia
4. Injury or harm to persons or property, vandalism, or serious threat to same
5. Sexual, physical, visual, or verbal harassment/bullying or abuse of staff, students, parents, or guests of the school
6. Hazing
7. Sale of any material on school grounds without proper authorization
8. Unauthorized absence or continued tardiness
9. Assault with, or possession of, a lethal instrument or weapon
10. Serious theft or dishonesty
11. Outrageous, scandalous, or seriously disruptive behavior
12. Conduct at school or elsewhere which would reflect adversely on the Catholic school or church
13. Not adhering to the internet use agreement, hacking into the school computer system, or viewing or attempting to view material through the internet that is deemed inappropriate per the Internet Use Agreement; or
14. Sexting (the sending, receiving, or forwarding of sexually explicit messages, photographs or images between digital devices or the sharing of such communication with others).

EXPULSION

Expulsion is an extreme and permanent disciplinary action enacted for the common good; the authority to expel resides solely with the principal. Ordinarily, an expulsion is the result of continued disciplinary offenses, on or off campus, that have not been remedied by lesser disciplinary actions such as detention, probation, or suspension. Immediate expulsion could result from actions, on or off campus, which are a violation of criminal law, which are serious enough to shock the conscience or harm the reputation of the school or parish community, or which pose a threat to the health, welfare, or safety of the student or the school community. The student will typically be placed on suspension (see above) if he/she is not already suspended, and parents will be notified immediately. Conferencing will take place with the principal, parents, appropriate staff, and the pastor of the parish if he or the family so desire; the student may be included for part of the conference. If a decision is made to terminate the student's enrollment, the parents may be given the option to voluntarily withdraw the student by a specified date. Otherwise, the student will be expelled. Full credit will be given for all work accomplished by the student up the moment of withdrawal or expulsion.

DISCIPLINARY RECORDS

Disciplinary records are private documents of the principal and are kept separate from the student's cumulative file and will not follow the student beyond enrollment at Our Lady of Miracles Catholic School; they are not available to students or parents.

Information and Communication Technology Policies

ONLINE SOCIAL MEDIA and NETWORKING POLICY for PARENTS and STUDENTS

Our Lady of Miracles Catholic School recognizes that many different social networks exist on the Internet (Twitter, Facebook, and Instagram, among others). Millions of people, including students and parents, utilize one or more of these networks daily for both professional and personal purposes. These services provide different methods of communicating and interacting with other users, in both public and private ways. These tools include message and photograph posting, emailing, instant messaging, group discussions, blogging, and video/photo sharing.

Due to the popularity of social networking sites and the way they can facilitate effective and efficient communications between users, the use of social networking in connection with Catholic school activities presents many opportunities for enhancing the experience of students and their families. Without proper controls these communications are often unlimited, potentially affording access by unknown third parties (including those who would prey upon young people via the Internet). The nature of social networking sites leaves open the possibility of abuse and misuse (including by students and their parents), necessitating the following standards of conduct for all individuals connected with Catholic schools.

ETHICS AND RESPONSIBILITY

When a Catholic school student or parent is using online social media (of any variety), that individual must always bear in mind that the material he or she posts reflects upon the school, the parish, the Diocese, and the Roman Catholic Church as a whole. It is imperative that all students and parents conduct themselves in an ethical and responsible manner when using online social media. Specifically, the following standards of conduct shall be observed:

- Any official organization of the school, such as School Advisory Board, Parent Club, Boosters Club, etc., may only develop online media with the permission of the school administration. If approved by the school administration, it must be a link from the official website of the school. All materials placed on it must receive prior approval from the school administration. Failure to do so by any organization of the school could result in the organization being disbanded.
- Content that has the potential to be a source of scandal for the Church should never be posted. Examples of such content include, but are not limited to, obscene, harassing, offensive, derogatory, or defamatory comments and images that discredit or cause embarrassment to the school, the Diocese, or the Catholic Church, or to other students, parents, diocesan (school) employees, or parishioners.
- If a student or parent regularly identifies him or herself as a student or parent of the school in a personal website, blog, or social media account, he or she should make it clear on those personal sites that the views expressed there are his or hers alone and that they do not necessarily reflect the views of the school, the parish, or the Diocese. For example, he or she can post the following notice, in a reasonable prominent place: "The views

expressed on this site are solely my own and do not necessarily reflect the view of Our Lady of Miracles Catholic School, or Parish, or the Diocese of Fresno."

- Students and parents should be ethical and responsible participants in social media. They should attempt to be accurate, truthful, and respectful in any public postings.
- Students and parents may not use school, parish, or diocesan trademarks, or reproduce any school, parish, or diocesan materials or logos without express permission from the principal, pastor, or their designees.

PHOTOGRAPHS AND VIDEOS

Because digital images are easily created and reproduced, photographs and video files are extremely common on the web, and they are freely posted and passed along by users of online social media. It is the policy of the Diocese that privacy concerns, particularly as they relate to images of minors, are to be observed and respected in online social media use connected to its schools.

Our Lady of Miracles Catholic School has no desire to intrude into or restrict the rights of parents and students to freely post personal photographs on their online social media sites as they see fit. If, however, they intend to upload photographic images or video files related to Catholic school activities, then students and parents must all observe the following guidelines:

- Prior permission should be obtained from any third parties depicted in photographic images or video files prior to being uploaded. If individuals decline such permission, their privacy should be respected, and the image should not be posted.
- If photographs or videos, particularly those of minors, are posted with or without permission, and the student or parent asks that it be removed, the student or parent's wishes should be observed.
- Even if parents have granted permission for the use of photographs or video images of their children, care should be taken to ensure that any such postings do not identify the child by name, unless there is specific permission granted by the parent for the additional connection.

DISCIPLINE for the Policy above

Failure to observe the foregoing guidelines may result in disciplinary measures being imposed by the school. Discipline in this context will be determined by the school, based upon the particular facts of any incident, but can mean suspension or expulsion (for student misconduct) or involuntary withdrawal of a child from the school (for parent misconduct).

ACCEPTABLE USE of TECHNOLOGY for STUDENTS

To ensure that all students comply with school rules regarding electronic equipment, the following policies and procedures have been established for using school computers, electronic devices, the wireless network, the Internet, and all peripherals. No set of policies and procedures can provide rules to cover every possible situation. Instead, what follows is designed to express a

framework and to set forth general principles when using electronic media and services. All policies are inclusive of the use of computers and electronic devices including, but not limited to, iPads and other tablets, the wireless network, the network, the Internet, and all peripherals.

SOCIAL MEDIA USE

- Use of social networks at school may be limited by school personnel.
- Students who use social media must adhere to the discipline policies in this handbook, the Technology Use Policy, the Diocesan Online Social Media and Networking Policy for Parents and Students, and the Harassment and Bullying Policy.
- Students are reminded that they are always Our Lady of Miracles Catholic School students, both on and off campus, and that ALL electronic content is both public and permanent.
- Our Lady of Miracles Catholic School reserves the right, at its discretion, to review and/or request removal of any student's social media content. Failure to comply may result in disciplinary action.
- Permission of the school administration is required for the use of the school's name, initials, logos, pictures, property, or representations of the faculty, staff, students, or other individuals. Deliberate publication or postings of such material on the Internet without permission may result in serious disciplinary action, including dismissal from the school.

USE of ELECTRONIC DEVICES OWNED or ISSUED by the SCHOOL

- Electronic devices owned or issued by the school are to be used for academic purposes only.
- Students have no reasonable expectation of privacy in their use of the school's electronic equipment or network (or a personal electronic device at school).
- The school reserves the right, upon reasonable suspicion that the search will reveal evidence that the student is violating the law or school policies, to review any student's electronic devices, files, and messages including, but not limited to, email, photos, texts, video, and other applications to ensure compliance with all school rules. Students must comply with all requests for access.
- All users are only permitted to log on to their own school-issued account. Sharing of account and/or account information is prohibited and may result in the account being disabled.
- All users may never move, change, or disconnect any of the hardware or wires/cables.
- Regardless where it takes place, students have no right to add, copy, delete, or alter any operating system software, application system software, and system setup or equipment configurations of devices owned or issued by the school.
- Use of technology on campus or at school functions or events is subject to inspection and audit by the school administration, which may include a physical inspection of material

contained on, or accessible by, the device. Students agree to cooperate with any such inspection.

- All students must agree to abide by the following Acceptable Use Pledge.

ACCEPTABLE USE PLEDGE COVERING ELECTRONIC DEVICES

- I will use my iPad and my other electronic devices in ways that are appropriate, educational, and meet Our Lady of Miracles Catholic School expectations as outlined in the Parent/Student Handbook.
- I will use appropriate language when using emails, journals, blogs, or any other forms of communication.
- I will not create, or encourage others to create, discourteous or abusive content.
- I will not use electronic communication to spread rumors, gossip, or engage in any other activity that is harmful to other persons.
- I understand that my iPad and school computers used by me are subject to inspection at any time without notice and remain the property of the school.
- I understand that my other electronic devices (including but not limited to my cell phone) are subject to inspection at any time based on a reasonable suspicion that they contain information pertinent to a violation of law or school policies.
- I will take proper care of my iPad.
- I will never leave the iPad unattended, and I will know where it is always.
- I will protect my iPad by keeping it stored in the provided case always.
- I will never loan out my iPad or give my password to other individuals.
- I will not let anyone else use my iPad other than my parents or guardians.
- I will charge my iPad's battery daily and arrive at school with my device fully charged.
- I will keep food and beverages away from my iPad since these may cause damage to the device.
- I will clean the screen with a soft, antistatic cloth ONLY and will use no cleaners.
- I will not disassemble any part of my iPad or attempt any repairs.
- I will not place decorations (such as stickers, markers, etc.) on the iPad or iPad cover, or do anything to permanently alter the iPad in any way.
- I will not remove or deface the serial number or other identification on any iPad.
- I will be responsible for all damage or loss caused by neglect or abuse.
- I agree to return the iPad, case, and power cords in good working condition.

CONSEQUENCES for VIOLATIONS of INFORMATION TECHNOLOGY POLICIES

Students who violate the rules set forth in these policies will be subject to all customary disciplinary actions, including but not limited to, the following:

- Payment for labor charges and/or parts necessary to undo changes or restore any equipment or system to its proper operating configuration as determined by the network administrator and Our Lady of Miracles Catholic School administration.
- Removal of the student from a course of instruction, suspension, and/or expulsion from Our Lady of Miracles Catholic School.

Harassment and Bullying

Our Lady of Miracles Catholic School affirms the Christian dignity of every person, the right of each person to be treated with respect and is committed to providing a learning environment that is free from harassment/bullying. Harassment/bullying of or by any student is prohibited. Every school will treat allegations of harassment/bullying seriously and will review and investigate such allegations in a prompt, confidential, and thorough manner. Allegations that are substantiated may result in disciplinary actions, up to and including dismissal.

1. Elementary and secondary students are undergoing a period of rapid growth in their maturity and social skills. It is not unusual for a student to make a mistake in his or her social interaction with another student. Any mistake should be corrected so that the student may learn from it and treat other students respectfully. An honest mistake should not be considered harassment/bullying. Part of any investigation into a charge of harassment/bullying will be to determine if the incident was a mistake, or something deliberate or repeated.

Harassment/bullying is unacceptable conduct that is deliberate, severe, and repeated (conduct that falls under the following categories that is not repetitive may, at the discretion of the principal, still be subject to the same consequences/sanctions as ongoing conduct). Harassment/bullying occurs when an individual is subjected to treatment that is hostile, offensive, or intimidating based on such factors as an individual's sex, race, religion, color, national origin, or physical or mental ability. Harassment/bullying can occur any time during school, school related activities, and outside the school. It includes, but is not limited to, any of the following:

- A. Verbal Harassment/Bullying: Derogatory, demeaning, or inflammatory words, whether oral, written, or electronic
- B. Physical Harassment/Bullying: Unwanted physical touching, contact, assault, deliberate impeding or blocking of movements, or intimidating interference with normal work or movement
- C. Visual Harassment/Bullying: Derogatory, demeaning or inflammatory posters, cartoons, written words, drawings, pictures, web pages or gestures
- D. Sexual Harassment/Bullying: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. Such conduct includes, but is not limited to, the following: sexually demeaning comments, sexual statements, or jokes; suggestive or obscene letters, phone calls, texts, or e-mail; deliberate, unlawful physical touching; leering, gesture, or display of sexually suggestive objects or pictures.

- E. Cyber-Harassment/Bullying: Willful and repeated harm inflicted on other persons through various forms of electronic media; provocative material, pictures, images, or attempts to be harmful or cruel to another student or individual through offensive electronic distribution using a cell phone, camera, the internet, or other electronic devices; or sexting (the sending, receiving, or forwarding of sexually explicit messages, photographs or images between digital devices or the sharing of such communication with others).
 - F. Hazing: Any method of initiation, pastime, or amusement engaged in with respect to a student organization which causes, or is likely to cause, bodily danger or physical harm, or tends to degrade or disgrace a student attending the school. May be a one-time occurrence and not be ongoing.
2. Any individual seeing or hearing about any incident of harassment/bullying is encouraged to follow the procedures below. If the harassment/bullying stems from the principal, the person being harassed/bullied is to contact the pastor and the superintendent in cases of diocesan schools.
3. The following procedures are to be followed for filing and investigating a harassment/bullying claim:
- A. Students who feel aggrieved because of conduct that constitutes harassment/bullying should, depending on the severity of the conduct, directly inform the person engaging in such conduct that such conduct is offensive and must stop.
 - B. If the student does not feel comfortable with the above, is unable to do so, or the offensive conduct does not stop, he/she shall direct his/her complaint to the principal or to a member of the school staff, who will then report it directly to the principal. Parents of students involved are to be contacted as soon as possible and will be kept apprised of the status of the response efforts of the school as those steps are undertaken.
 - C. The student(s) alleging harassment will be asked to complete a written complaint. Students at the primary level may verbally explain their complaint rather than writing it. The claim will be investigated thoroughly, and confidentiality will be maintained to the extent practicable.
 - D. The investigation will include a meeting with the student alleged to have harassed/bullied, sharing with that person the nature of the allegations, as well as the name of the person bringing the allegations. Where the school deems it appropriate, witnesses may also be interviewed.

- E. Once the facts of the case have been gathered, the principal, in consultation with the Pastor or Superintendent, will decide what, if any, disciplinary action is warranted. The disciplinary action will relate to the nature, context, and seriousness of the harassment/bullying and can include all disciplinary actions up to and including immediate expulsion; if appropriate, law enforcement may also be contacted.
 - F. If a party disagrees with the decision, he or she has the right to appeal the outcome to the Office of Catholic Education of the Diocese of Fresno. The OCE will address the appeal according to its procedures in effect at that time, which will be provided to all those involved in the appeal.
4. If the complaint is against a non-employee or non-student, such as a parent, volunteer, or vendor, the school will take steps, within the extent of its power, to investigate and eliminate the problem.
 5. **REPRISAL AND/OR RETALIATION:** Reprisal or retaliation against any complaining student or witness, by any student or parent, is strictly prohibited. Any student or parent who engages in such a reprisal or retaliation will be subject to an appropriate disciplinary response, up to and including immediate expulsion from the school.

Controlled Substances

Our Lady of Miracles Catholic School emphasizes a commitment to a positive, faith-based environment for learning and the continued good health and safety of its students. Therefore, students, on or off campus, may not be in possession of, under the influence of, and/or use controlled substances, look-a-likes, or paraphernalia, nor engage in solicitation or distribution thereof.

The term “controlled substance” for the purposes of this handbook typically refers to any illegal drug, marijuana, alcohol, tobacco, tobacco products, e-cigarettes and vapor products, or the intentional misuse of prescription medication. The intentional misuse of other types of substances may also be addressed under this policy, at the discretion of the school administration. A full listing of drugs that are illegal under federal law can be found in the Controlled Substances Act (21 U.S.C. §§ 801, et. seq.).

The school expects parents and students to support all policies on the use of controlled substances:

- Parents/guardians and older siblings or family members are legally and morally responsible any time they provide to or allow the use of controlled substances by underage minors.
- Students may not possess, solicit, use, or be under the influence of controlled substances or paraphernalia, on or off campus, or at supervised or unsupervised activities or events.
- Students may not host an event where controlled substances are present or used.
- The presence of students any time-controlled substances are used or distributed presumes some level of participation and may result in the same consequences as those using or distributing the substances.
- Students participating in any activities, real or pretend, involving paraphernalia or “look-alikes” associated with controlled substances may be subject to disciplinary action.
- Students may not sell or distribute any controlled substance on or off campus.
- Any student (or parent/guardian on behalf of a student) who freely approaches a counselor, administrator, teacher, coach, or other staff member for help regarding a controlled substance problem will be assisted in the spirit of counseling (unless the student is found to be using the counseling mechanism to avoid disciplinary action). However, this “spirit of counseling” will require strict adherence to all policies regarding controlled substances; requirements will be handled on an individual basis.
- The presence of students at after-hours school events (such as school or parish fundraising dinners) where alcohol is served to adults does not constitute a violation of this policy.

Upon at least reasonable suspicion that a student has violated this policy, any of the following actions may be taken, as deemed necessary by the school:

- Parent(s)/guardian(s) will be notified.
- A search of the student's belongings (backpack, bag, clothing, electronic device, etc.), desk, locker, or cubby may take place.
- The student may be suspended from school pending an investigation.
- The student and parent(s)/guardian(s) will conference with the principal and/or other school officials.
- The student may be asked to be drug tested once or periodically at a location approved by the school; the cost of drug testing is the responsibility of the parent(s)/guardian(s).
- The student may be placed on a behavior contract which may include professional evaluation, counseling, involvement with a support group, rehabilitation if recommended by the evaluation, random drug testing, and any other provision deemed necessary by the school administration.
- The student may be suspended following an investigation.
- The school may ask the parent(s)/guardian(s) to withdraw the student.
- The student may be expelled
- Law enforcement and/or child protective services may be contacted.

DISCLAIMER: Nothing in the school's-controlled substance policy should be construed to mean that, as a result of this policy, Our Lady of Miracles Catholic School has undertaken a duty to detect, prevent, or treat drug or alcohol use by students, even if such use becomes apparent.

Extra-Curricular Activities

STUDENT COUNCIL

A student serving on Student Council may be relieved of his or her duties or position either permanently or for a stated time at the discretion of the principal.

SOCIAL EVENTS/DANCES

Our Lady of Miracles Catholic School sponsors supervised social events and dances to help students develop appropriate social skills in a Christian, Catholic context. Such events will be held on school or parish premises and are only open to students enrolled at the school. A fee may be charged. Rules and guidelines will be published prior to any event.

STUDENT PARTIES OUTSIDE of SCHOOL (not sponsored by the school)

Parents who may sponsor dances and/or parties outside of school time are asked that, if the party is to be advertised at school (e.g., invitations handed out at school), such parties are inclusive of the entire class. Parents and students are reminded that behavior rules and sanctions of the school apply.

Athletics

ATHLETIC TEAMS

Students in grades 1 - 8 are given the opportunity to participate in the athletic program, and grades 5-8 participate in an after-school sports program.

PARTICIPATION on ATHLETIC TEAMS

Students enrolled in 5th – 8th grade who are planning to on participate in school sports are required to have a sports physical form completed annually by their physician. This form must be on file in the school office prior to the student participating in any sport game or practice. In addition, each family is required to attend a seasonal sport meeting before the child can participate. Participation in after-school sports is contingent upon the following:

- Availability of qualified volunteer personnel
- Try-outs, if deemed necessary by the coach
- Parental permission emergency form
- Student’s continuing satisfactory deportment both in school and on the team
- Physical examination form completed by physician, required yearly, prior to the beginning of participation in practice or competition.
- A student must attend at least half of the regular school day to participate in that day’s practices or games.

PLAYER ELIGIBILITY

- Players must have a “C” average or higher in each subject and at least a Satisfactory in conduct from every teacher to be eligible to play.
- A student must attend at least half of the regular school day to participate in that day’s practices or games.
- Students on behavioral or academic probation are ineligible.
- Students not regularly attending practice sessions will not be allowed to participate in games.

CONDUCT of PLAYERS DURING GAMES and PRACTICES

Athletes are expected to conduct themselves appropriately at all games and practices. Athletes are expected to represent Our Lady of Miracles Catholic School in a manner that exemplifies good sportsmanship, pride, and respect. Athletes displaying inappropriate behavior will be removed from the game and face disciplinary consequences.

CONDUCT of PARENTS and FANS

- Parents and fans are expected to demonstrate good sportsmanship and respect for the coach, athletes on both teams, and other parents and fans.
- Parents should not offer coaching instructions to their children during a practice or game.

- Parents should not confront coaches with demands or complaints concerning strategy or playing time for their children during a game. Instead, parents are asked to observe a 24-hour cooling off period after a game before contacting the coach with a concern.
- All children are to be supervised by an adult during games and practices.
- Parents and fans must comply with requests from coaches, the athletic director, the principal, or other site-supervisors during a game or practice; if compliance is not demonstrated, the participants will be asked to leave the premises.
- Non-compliance with the above guidelines may place the enrollment of the students in jeopardy.

PLAYING TIME

Playing time is the prerogative of the coach who will follow PAL guidelines on this issue; coaches are encouraged to play every player as much as possible. Players cannot expect to play in games if they have not been attending practices and giving 100% effort throughout these practices.

REPORTING INJURIES and SPECIAL LIMITATIONS

Parents and athletes must report all injuries to the coach as soon as possible. Before the sports season begins, parents should discuss with the coach any special limitations their child may have. Any sports limitations should be listed on the student's Medical Release Form on file with the school.

CONCUSSION

Please see the section titled "Concussion Policies" following the "Health and Safety" section.

COMMUNICATION with COACHES

- Players are to report all injuries to the coach as soon as possible.
- Students should express any concerns to the coach first before involving parents.
- If student concerns are not resolved after speaking with the coach, parents should contact the coach to express concerns.
- If resolution cannot be achieved, all parties should involve the athletic director.
- The principal should only become involved if none of these steps has achieved resolution. Decisions of the principal in athletic matters are final.

UNIFORMS

Sport uniforms must be turned in within a week of the last game of the season. Uniforms must be laundered and bagged, and the bag should be labeled with the athlete's name. Uniforms may only be worn during games and not during practice. Participants may lose their uniform fee deposit if uniforms are returned late, damaged, or dirty.

TRANSPORTATION

All drivers who are transporting students to sports events must follow all school volunteer driver regulations. All students who require a ride to any school-sponsored sport activity must have written authorization from their parents/guardians allowing them to ride with drivers the parents/guardians have authorized. No student may ride in a car to or from a school-sponsored game with an adult who has not been pre-authorized by his/her parents/guardians. Students should not drive themselves or other students to any school activity.

PARENT PARTICIPATION

All parents/guardians of athletes are required to sign up for work hours in the snack bar, at game entrance, or score keeping for league games/tournaments held at Our Lady of Miracles Catholic School.

Transfer, Custody, and Student Records

TRANSFER of STUDENTS

Students clearly unable to profit from the school by reasons of ability, serious emotional instability or other condition, or the conspicuously uncooperative or destructive attitude of students and/or parent(s)/grandparent(s)/ guardian(s) will be asked to transfer.

- The school will first make reasonable efforts to meet the needs of the student.
- Conferences will be held with the parent(s)/guardian(s) to advise them concerning the possibility of withdrawal for academic or other reasons and to discuss possible remedial actions and/or educational alternatives.
- The final decision is made by the principal in consultation with the pastor, teacher(s), and parent(s)/guardian(s).
- Every effort is made to assist the parent(s)/guardian(s) in finding other schools or agencies with facilities to help the child.

TRANSFER of STUDENTS BECAUSE of PARENTAL BEHAVIOR

Normally a child is not to be deprived of a Catholic education or otherwise penalized for actions of the parent(s). However, the principal and/or pastor may recommend transfer of a student when parent(s)/grandparent(s)/guardian(s) are consistently uncooperative and conduct themselves in a manner that is disruptive of the harmonious relationships in the school, as such conduct is itself a violation of the school's policies. Parental interference in matters of school administration and abusive language toward principal, pastor, or teacher(s) are some of the reasons for recommending a transfer. If parent(s) refuse to accept the recommended transfer, the procedures for disciplinary expulsion will be followed.

TRANSFER OF STUDENTS BETWEEN CATHOLIC SCHOOLS

Prior to accepting a student transferring from one Catholic school to another Catholic school, the receiving principal will contact the principal of the originating school to discuss student performance, parent financial obligations, family involvement, etc.

CUSTODY OF MINORS

Unauthorized organizations, agencies, or persons shall never be allowed to assume custody of any student on school premises during school hours or immediately before or after school, unless the assumption of custody is explicitly authorized in writing by the parent(s) or guardian(s).

1. Normally, principals should ask one other adult (e.g. pastor, teacher, secretary) to witness the presentation of the authorization unless the principal is absolutely certain that the authorization is bona fide.
2. In case of any doubt as to the validity of the authorization, custody shall not be granted.

3. To cooperate with student and family needs, the school should be informed of custody arrangements. It is the responsibility of the parent or guardian to inform the school of custody status and subsequent changes and arrangements. The school must ask for legal verification of these arrangements.
4. In the absence of any court order, the school will make every effort to remain neutral, and will assume that both parent(s) have custody of a student, and the student may be released to either parent. As part of this policy of neutrality, any parent claiming a custody right superior to the other parent will be required to present a current and valid court order or agreement demonstrating and explaining that right. Only upon receipt of satisfactory documentation will the school recognize the rights of one parent over the other with regard to a custody provision that relates to the student's enrollment at the school (such as decisions regarding enrollment or who may alter the authorized) .

RIGHTS of NON-CUSTODIAL PARENTS

In the absence of a court order to the contrary, the school will provide all the child's parents, custodial or non-custodial, with equal access to the child and equal access to academic records and other school-related information regarding the child. If there is a court order specifying that there is no information to be given, no contact with the child, etc., it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

STUDENTS NOT LIVING WITH PARENTS or LEGAL GUARDIANS

Students are expected to reside with their parents or legal guardians. If circumstances arise necessitating a student to live elsewhere, the school must have the parent's approval in writing or a court order. The new location must meet with the school's approval. Students must reside with a responsible adult of at least 25 years of age; this does not include a boyfriend or girlfriend of the parent or guardian.

ACCESS to STUDENT RECORDS

Custodial Parent(s)/Guardian(s) have access to all permanent records (the Cumulative File) maintained by the school related to their children. Students, 18 years of age or older, have this same right of access.

- Permanent records may be withheld for non-payment of fees.
- Parent(s) may request an appointment during school hours to inspect and review the cumulative file for their children.
- The principal or other school staff member will be present for such a review.
- Anecdotal notes (such as a behavioral record) and psychological test results are not part of a permanent record. Parent(s) do not have a right of access to these records, nor do these records follow the student.

- Parent(s) may request and receive a copy of their child's permanent records contained in the cumulative file; parents must allow school personnel a reasonable length of time to accomplish this task. The copy will be clearly marked as a copy. Originals or the original complete file cannot be released to parents at any time.
- The Cumulative File is only forwarded to the next school at that school's request; otherwise, it remains on site.
- Schools will comply with any court order (subpoena) requesting a copy of the permanent records.

Students are expected to follow all the rules and regulations given by the yard duty supervisors. Students should show respect to others, including the yard duty supervisors. For safety reasons, students may not leave the playground without permission from the yard duty supervisor.
