

SBAL Adult Conduct Agreement

Role of Parents and Family Members of Athletes

Parents will need to read and fully understand this league policy. Then, please complete the bottom portion and return it to your child's coach. Thank You!

We encourage you to cheer and applaud not only for good performance, but also for display of effort by any athlete playing. Booing and catcalls will not be tolerated at any time. Parents need to show love and encouragement no matter how an athlete performs.

Officials are there to make sure that the games run smoothly. You can be assured that the Official will have your child's safety and well being on his/her mind. Remember that officials are human and they too can make mistakes. While calling a game from the sideline is pretty easy, remember that it is the official's job to make the call!

Develop good team communication and spirit. The better the families on each team know one another, the better the experience will be for everyone. Good communication among parents enhances good feelings among the teams. Each parent should do his/her part to help keep morale high and to make the athletes feel good about playing the game.

Remember, the game belongs to the athletes...Let them play it! Let's make sports enjoyable for everyone, especially our youth. Please keep in mind, "winning isn't everything, nor is it the only thing."
